HERITAGE
AUCTIONS

SESSION ONE

27001 **Afghanistan** Kingdom Treasury 50 Afghanis ND (1928) Pick 10b.

Only a very light fold at the lower left corner precludes this note from the ranks of the uncirculated. PMG mentions corner damage which is negligible and a pencil annotation on the back. PMG **Choice About Uncirculated 58**. (500-1,000)

Starting Bid: \$300

27002 **Afghanistan** Bank of Afghanistan 500 Afghanis ND (1939) SH1318 Pick 27.

A well centered piece grading PMG **Choice Uncirculated 64**. PMG has not graded a single example higher.

Starting Bid: \$900

27003 **Afghanistan** Bank of Afghanistan 500 Afghanis ND (1967) Pick 45s Specimen.

King Zahir and an airport terminal are depicted on this predominantly blue Specimen that is boldly stamped as such. PMG **Gem Uncirculated 66 EPQ**.

From The SOL World Specimen Collection (500-700)

Starting Bid: \$300

27004 **Afghanistan** Bank of Afghanistan 1000 Afghanis ND (1967) Pick 46s Specimen.

King Zahir and the mountains of Afghanistan appear on this predominantly brown TDLR product that is boldly stamped SPECIMEN. PMG grades the note **Gem Uncirculated 65 EPQ**.

From The SOL World Specimen Collection (500-700)

Starting Bid: \$300

27005 **Albania** Banca Nazionale D'Albania 20 Franka Ari ND (1926) Pick 3sp Specimen Proof.

A lovely specimen proof of this early Albanian note that is well margined with excellent color and embossing. PMG **Choice About Unc** 58 EPQ. 2 POCs. (500-700)

Starting Bid: \$300

27007 **Algeria** Banque Centrale D' Algerie 10 Dinars 1.11.1970 Pick 127s Specimen.

Printed in various shades of red and rose, this note depicts a peacock on the face and a petrochemical plant on the back. It grades **About Uncirculated** 55 EPQ per PMG.

From The SOL World Specimen Collection (600-900)

Starting Bid: \$360

27006 **Algeria** Banque De L'Algerie 100 Francs 1939-42 Pick 85s Specimen.

A beautiful specimen example of this multicolor Algerian note from the World War II era and the first piece that we have handled. PMG **Choice Uncirculated** 64 EPQ.

From The SOL World Specimen Collection (600-800)

Starting Bid: \$360

27008 **Algeria** Banque Centrale D' Algerie 100 Dinars 1.11.1970 Pick 128s Specimen.

Boldly stamped in red as "SPECIMEN No. 002694", this note is printed in mainly earth tones and grades **Choice Uncirculated** 64 by PMG.

From The SOL World Specimen Collection (1,000-2,000)

Starting Bid: \$600

27009 **Algeria** Banque Centrale D' Algerie 10/50 Dinars Printer's Essai 1985 Pick Unlisted.

Starting Bid: \$300

27010 **Algeria** Bank Al-Djazair Printer Essai 2010 Pick Unlisted. An interesting piece that is apparently a printer's concept essay for future note designs, this piece with an intricate foil security strip grades **Choice Uncirculated 64 EPQ** per PMG. A neat add for the Algeria or printer specialist. (500-700)

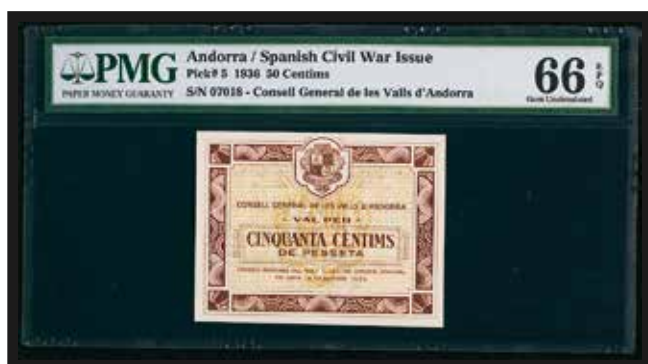

Starting Bid: \$300

27013 **Angola** Banco Nacional Ultramarino 10 Mil Reis 1.3.1909 Pick 34s Specimen.

A well margined and sharply inked specimen of an early note from this former Portuguese colony that is rarely encountered in issued form. Two years ago, an About New specimen realized almost \$1300. This pretty PCGS **Choice Unc 64** example, which has the usual printer's notations, should do a bit better. (1,500-2,000)

Starting Bid: \$900

27011 **Andorra** Consell General de les Valls d'Andorra 50 Centims 19.12.1936 Pick 5.

Only one issue of notes for this small nation located in the Pyrenees Mountains between France and Spain. This scarce issue was brought about by the Spanish Civil War. This is the nicest Pick 5 we know of that has come to auction in several years. PMG **Gem Uncirculated 66 EPQ**. (500-600)

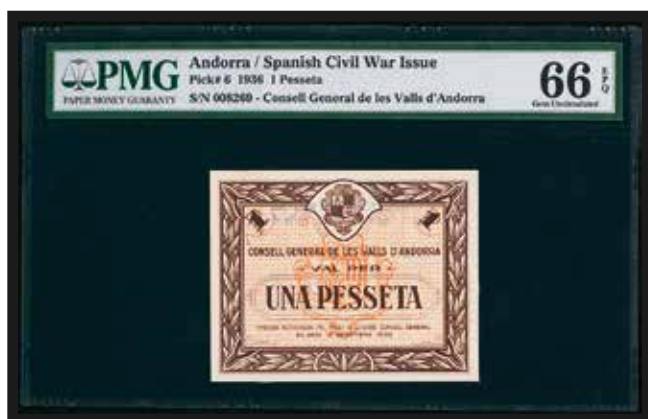

Starting Bid: \$300

27014 **Angola** Banco Nacional Ultramarino 50 Centavos 1.1.1920 Pick 53.

A circulated example of this early Angolan note that is not valued above Fine in the Krause reference. PMG **Fine 12 Net**, with some edge damage and a bit of toning to the paper. (600-800)

Starting Bid: \$360

27012 **Andorra** Consell General de les Valls d'Andorra 1 Pesseta 19.12.1936 Pick 6.

A fascinating, historically significant issue. The outbreak of the Spanish Civil War led to a shortage of circulating currency in neighboring Andorra. In response, the Andorran government issued these notes in 1936 to stabilize the economy. Bold color and serial number embossing are seen on this PMG **Gem Uncirculated 66 EPQ** example. (500-700)

Starting Bid: \$300

27015 **Angola** Banco Nacional Ultramarino 20 Escudos 1.1.1921 Pick 59s Specimen.

A roulette punched "CANCELLED" specimen from this former Portuguese colony that has excellent margins and color. Red "ANGOLA" overprints are seen on this example that earned a grade of **Choice Uncirculated 64** from PMG which has noted the usual printer's annotations. (1,250-1,750)

Starting Bid: \$750

27017 **Angola** Republica Portuguesa 10 Angolares 14.8.1926 Pick 67.

An indigenous vignette of weavers is on the face, while a lion vignette graces the back. This note grades PMG **About Uncirculated 53** with a stain at lower right, which is mostly hidden within the blue ink. We saw a raw "Abt. EF" Pick 67 example with a few small spots and foxing realize \$2115 in 2016. (2,000-3,000)

Starting Bid: \$1,200

27016 **Angola** Banco Nacional Ultramarino 50 Escudos 1.1.1921 Pick 60s Specimen.

A lovely specimen of this higher denomination from this former Portuguese colony that is unlisted in this form in the Krause reference. PCGS **Choice Unc 64**. (1,250-1,750)

Starting Bid: \$750

27018 **Angola** Banco de Angola 50 Angolares 1.6.1927 Pick 74cts Color Trial Specimen.

A Color Trial Specimen grading PMG **About Uncirculated 53** with an adhesive along the left end and a Thomas de la Rue red oval. (1,000-1,500)

Starting Bid: \$600

27019 **Angola** Banco De Angola 100 Angolar 14.8.1926 Pick 75cts Color Trial Specimen.

A Color Trial Specimen with only green ink as the blue underprint has not been applied. This lovely PMG **About Uncirculated 53** example has Portuguese soldier and politician Salvador Correia on the face and a ferocious crocodile laying in waiting on the back. It has been over ten years that we know of since an example of this number has appeared at auction. The Pick number on the third party label is incorrect. 3 POCs. (2,000-3,000)

Starting Bid: \$1,200

27020 **Serial Number 000001 Angola** Banco De Angola 100 Angolar 2.11.1946 Pick 81.

An enticing first serial number 000001 is seen on this grandly sized example issued for this Portuguese colony. The intaglio vignettes on both sides remain all original on this De La Rue note. PMG **Extremely Fine 40** EPQ. (600-800)

Starting Bid: \$360

27021 **Serial Number 00001 Angola** Banco De Angola 20 Angolar 1.3.1951 Pick 83.

An attractive first serial number is seen on this pack fresh example. A view of Fort Sao Miguel in Loanda is seen. PMG **Choice Uncirculated 63** EPQ. (500-700)

Starting Bid: \$300

27022 **Angola** Banco De Angola 1000 Escudos 10.6.1962 Pick 96s Specimen.

A near-perfect example of this Angolan specimen note that features a portrait of Americo Tomas who was the President of Portugal from 1958 to 1974. PMG **Superb Gem Unc 67** EPQ. (500-700)

Starting Bid: \$350

27023 **Angola** Banco De Angola 20, 50, 100, 500, 1000 Escudos 10.6.1973 Pick 104s, 105s, 106s, 107s, 108s Specimens.

These notes hail from the 1973 issue was the final issue of the Portuguese administration. Angola would attain its independence in 1975. Each note bears red 'ESPECIME' overprints across the face and back as well as two hole punch cancellations. They grade **Gem Crisp Uncirculated**.

From The SOL World Specimen Collection (Total: 5 notes) (600-900)

Starting Bid: \$360

27024 **Angola** Banco Nacional De Angola 20; 50; 100; 500; 1000 Kwanzas 1975-79 Pick 109s; 111s; 112s; 114s; 117s Specimens.

These Specimens depict various agricultural, educational, and commercial scenes. All five notes are stamped SPECIMEN and have solid zero serial numbers. **Crisp Uncirculated** except for the 50 Kwanza value which has evidence of handling on the right end and grades About Uncirculated.

From The SOL World Specimen Collection (Total: 5 notes) (700-1,000)

Starting Bid: \$420

27092 **Brazil Banco da Republica do Brazil 10 Mil Reis 1892 (ND 1893) Pick S671a.** Despite the bank's name, this note was actually issued by a private bank operating at the time. As Brazil had a central issuing agency at that time, notes like this only had a small area of circulation, and most were quickly redeemed for specie or official government notes. Hence, any privately issued notes in any condition are elusive today. This example has 3 "SEM VALOR" cancellation stamps on the face, indicating it was redeemed. Colors are still very enjoyable on this solid example. PMG **Very Fine 20**, small tears. (500-800) Starting Bid: \$300

27093 **British Caribbean Territories Currency Board \$2 2.1.1964 Pick 8c.** A lovely note with a younger portrait of Queen Elizabeth II. After this series, banknote issuing rights for the territories were transferred to the East Caribbean Currency Authority, today the East Caribbean Central Bank. In the past two years, we have sold two examples graded PMG **Gem 66 EPQ** for almost \$2000 each. PMG **Gem Uncirculated 65 EPQ**. (1,000-1,500) Starting Bid: \$600

27094 **British Caribbean Territories** Currency Board \$10 3.1.1956 Pick 10b. A lightly circulated example of this tougher denomination which represents the Queen Elizabeth II watermark variety. Examples in the Very Fine grade have been cracking the \$1000 mark at auction recently. PMG **Choice Extremely Fine 45**. (1,250-1,750)
Starting Bid: \$750

Near-Superb Gem 1938 \$5

27095 **British Guiana** Government of British Guiana \$5 1.10.1938 Pick 14a.

This is the first \$5 from 1938 that we have ever had the opportunity to offer, and what a way to break the ice with this near superb gem example. Krause does not list any values above XF, and the only other \$5 example that we have sold came back in 2014 in the Ruth Hill Collection in which we sold a VF 25 example dated 1942 for \$3525. We fully expect that number to be well eclipsed for this gem which displays original paper surfaces and inks. It truly is a small miracle that this note escaped the tropical climate to find its way here today. PCGS **Gem New 66 PPQ**. (8,000-12,000)

Starting Bid: \$4,800

Rare 1942 British Guiana \$20

27096 **British Guiana** Government of British Guiana \$20 1.1.1942 Pick 16.

Like all other notes of the 1942 series, a toucan and vignette of the Kaieteur falls, two hallmarks which makes this series so popular are seen. However, this highest denomination features a forward facing vignette of King George VI. The first A1 prefix graces this absolutely fantastic example which retains its light green underprint and deep crimson intaglio features. Considering the region's warm, tropical climate, this note held up fantastically well, grading a very respectable PMG **Choice Fine 15 Net** with paper damage and rust. (12,000-17,000)

Starting Bid: \$9,000

27097 **British West Africa** West African Currency Board 1 Shilling 30.11.1918 Pick 1a.

The first issue of British West Africa, featuring a contemporary one Shilling coin. As it was a part of the 1916 issue, only English is featured on the face. While other denominations eventually added the denomination in Arabic, the 1 Shilling note was never revised. PMG **Very Fine 20 Net**, with some edge damage. (500-700)

Starting Bid: \$300

27098 **British West Africa** West African Currency Board 2 Shillings 30.3.1918 Pick 2b.

A moderately circulated example of this British colonial note inked in light blue with Arabic script on back. Printed by Waterlow & Sons Limited, London. PMG **Very Fine 20 Net**, with some rust damage and minor writing on the back. (500-700)

Starting Bid: \$300

A beautiful note grading PCGS **Gem New 66PPQ** with bold embossing of the elephant watermark and great centering on the very cusp of perfection. This makes for the highest graded Pick 11b that we have ever offered. The previous high grade was a PMG 63 example that brought \$2820 in September 2015. Look for this current offering to hammer within the vicinity of...(5,000-7,000)

Symbolism on this World War Two era Japanese printed note is a Burmese peacock at left with a rising sun behind a local hut at right. PMG **Choice Uncirculated 63**, with a couple of pinholes at right and two small POCs.

From The SOL World Specimen Collection (700-1,000)

Starting Bid: \$420

A few light folds are observed on this high denomination Banque Centrale issue, but very little in the way of actual wear can be detected through the third party holder. PMG has quite rightly awarded its EPQ designation. PMG **Choice Very Fine 35 EPQ**. (1,000-1,500)

Starting Bid: \$600

27113 DC-8e-iii-M \$1 1878.

Starting Bid: \$300

27114 DC-10 \$4 1882.

This issue marked the first use of the \$4 denomination by the Dominion Government, as issuance of notes of less than \$5 by chartered banks was prohibited after 1880. The \$4 denomination was not initially popular, and between 1882 and 1900, only 1.2 million of these notes were produced. PMG **Choice Fine 15**. (1,500-2,000)

Starting Bid: \$900

27115 DC-13a \$1 1898.

27118 DC-16 \$4 1900.

Starting Bid: \$900

\$4 DC-17b VF 30 EPQ

27119 DC-17b \$4 1902.

At PMG Very Fine 30 EPQ, this note, that has the appearance of a higher grade, is the second highest graded DC-17b to be in our auctions. We auctioned this note previously in September 2013 where it brought just shy of \$5000. This was the last of the \$4 denominations printed. Overall, high grade examples are very limited in number, with just one piece reported in Uncirculated and four in AU. (5,000-7,000)

Starting Bid: \$3,000

27120 DC-18a \$1 1911.

A high grade example of this attractive note, which displays portraits of Lord and Lady Grey. Earl Grey was Governor General of Canada from 1904 to 1911, and was one of the most popular holders of that office, with his term extended at the request of the Canadian government. This example is a bright PMG About Uncirculated 55 with just some light staining in its top margin. (1,000-1,200)

Starting Bid: \$600

27121 DC-18b \$1 1911.

Starting Bid: \$750

27125 DC-25h \$1 1923.

The highest graded DC-25h that we have auctioned in almost nine years. Dark inks, embossing, and not a hint of handling confirm the grade of PMG Choice Uncirculated 64 EPQ. (2,500-3,500)

Starting Bid: \$1,500

27123 DC-25c \$1 1923.

A PMG Choice Uncirculated 64 Series J note and the highest grade that we have ever auctioned for a DC-25c. This is one of the tougher numbers for this design, too. (2,500-3,500)

Starting Bid: \$1,500

27126 DC-25j \$1 1923.

This is a most pleasing example for the issue and is one of the nicest we have offered in some time. PMG Choice Uncirculated 64 EPQ. (800-1,100)

Starting Bid: \$480

Elusive Gem Blue Seal 1923 \$1

27124 DC-25h \$1 1923.

This is the first Gem example for this Charlton number we have ever offered and it is quite pleasing. The print is sharp, colors bold, and pack freshness easily seen. PMG Gem Uncirculated 65 EPQ. (3,500-4,500)

Starting Bid: \$2,100

27127 DC-25k \$1 1923.

This was the first signature combination used on the purple seal experimental, with this combination a bit more common than the Campbell-Sellar duo. PMG Very Fine 30, with a few tiny pinholes at left. (500-700)

Starting Bid: \$300

27128 DC-250 \$1 1923.

A lovely example of this Group 4 Series E Canadian \$1 note that displays vibrant color and pack fresh surfaces. Only its centering prevents consideration of a Gem grade. PMG Choice Uncirculated 64 EPQ. (600-800)
Starting Bid: \$360

27129 DC-26d \$2 1923.

One of the highest graded examples of this number to be in our auctions. This PMG Very Fine 30 piece displays excellent color and several of the folds are hard to find through the third party holder. (500-700)
Starting Bid: \$300

27130 DC-26l \$2 1923.

A PCGS Choice About New 58 \$2 from Series X that is the nicest DC-26l to be in our auctions in over five years. This is the kind of AU everybody likes, as it has the definite appearance of a higher grade. (2,000-3,000)
Starting Bid: \$1,200

27131 BC-1 \$1 1935.

Paper originality is a highlight of this PMG Gem Uncirculated 65 EPQ \$1. (900-1,200)
Starting Bid: \$525

27132 BC-1 \$1 1935.

This is a nicely preserved English text variety \$1 from Series A. Embossing is noticed through the third party holder. We auctioned this PMG Choice Uncirculated 64 EPQ example in April 2013 for \$998.75. (1,000-1,500)
Starting Bid: \$600

27133 BC-2 \$1 1935.

Canada ushered in its small size era in 1935 with English and French only text notes. This French \$1 displays embossing and serial number F0005395. This example grades PCGS Very Choice New 64PPQ. It is the second highest graded BC-2 that we have auctioned and the absolute highest in almost nine years. (1,250-1,750)
Starting Bid: \$750

27134 BC-3 \$2 1935.

Our scrutiny determines that this is an extremely nice example for the grade of PMG Choice Uncirculated 64. (1,500-2,000)
Starting Bid: \$900

Near-Gem French Text 1935 \$2

27135 BC-4 \$2 1935.

The French Text 1935 issue is relatively available in grades through Very Fine, but supplies diminish quite rapidly in the higher grade ranges, with prices reaching the five-figure level for Uncirculated pieces. This specimen is a bright, nicely margined example, graded **Choice Uncirculated 64 EPQ** by PMG. We would not be surprised to see bidding in the range of... (10,000-15,000)

Starting Bid: \$6,000

27136 BC-5 \$5 1935.

A PCGS **Choice About New 55** note with the look of an Unc through the third party holder. (800-1200)

Starting Bid: \$480

27137 BC-5 \$5 1935.

A very colorful example of this English text \$5 issue that exhibits original embossing. PMG **Choice Very Fine 35**, with an interesting annotation in the bottom margin on the face that states "Issued at Regina Mar 11, 1935. First release from new bank." (500-700)

Starting Bid: \$300

BC-6 \$5 1935 PMG 64 EPQ

27138 BC-6 \$5 1935.

This French text \$5 is a charming PMG **Choice Uncirculated 64 EPQ** note with four ample margins. It is the second highest graded BC-6 to come our way and the outright highest since April 2008. (10,000-15,000)

Starting Bid: \$6,000

Choice CU French Text 1935 \$5

27139 BC-6 \$5 1935.

One of only two fully third party graded uncirculated examples of this French text note to be previously offered in our auctions. This PMG **Choice Uncirculated 64** note was our most recent offering of the two and it brought \$8812.50 in September 2012. (9,000-12,000)

Starting Bid: \$5,250

27140 BC-7 \$10 1935.

The highest third party graded BC-7 that we have auctioned. This PCGS Choice About New 58PPQ exhibits paper originality. (900-1,200)
Starting Bid: \$525

BC-9a \$20 PMG 58 EPQ

27141 BC-9a \$20 1935 Large Seal.

A lovely Princess Elizabeth \$20 grading PMG Choice About Unc 58 EPQ with ideal color, original paper surfaces, and serial number A003560. It is also of the better Large Seal variety. This is certainly one of the nicest BC-9a notes to cross our desk, so look for this example to hammer in the vicinity of... (10,000-15,000)

Starting Bid: \$6,000

27142 BC-9b \$20 1935.

A very popular note with the portrait of HRH Princess Elizabeth as a young child. This is a nice BC-9b PMG Choice Very Fine 35. The color is excellent for the grade on this evenly circulated English text small seal number. (2,000-3,000)

Starting Bid: \$1,200

27143 BC-10 \$20 1935.

A French text Princess Elizabeth BC-10 grading PMG Very Fine 25. The mentioning of minor ink is due to a small black ink spot on the back. Overall, this note is a nice representative for the grade. (2,750-3,750)

Starting Bid: \$1,650

Gem 65 EPQ 1935 English Text \$25

27144 BC-11 \$25 1935.

A stunning survivor of this special commemorative issue that is certainly one of the finest examples we have handled of this scarce and popular note. It is the only denomination in the 1935 series to bear a distinct issue date, and was the first to be withdrawn, after circulating for only two years. By 1942, fewer than 2000 of these notes had escaped withdrawal and cancellation. This example is well margined with blazing colors and incredible eye appeal. In our April 2014 auction, we sold an identically graded piece for \$35,250 and we certainly expect this PMG **Gem Uncirculated 65 EPQ** note, with low serial number A000681, to approach that number. (30,000-40,000)

Starting Bid: \$18,000

Beautiful Choice AU \$25 Commemorative

27145 BC-11 \$25 1935.

The dates 1910-1935 located at the top of this commemorative were to celebrate the 25th anniversary of King George V's reign which began in 1910. His portrait, and that of Queen Mary, are seen at center. A total of 140,000 of these notes were issued with the English text versus 20,000 in French. Both numbers are misleading as the notes were withdrawn from circulation within two years of their issue, and at last count in 1942, only around 2000 examples remained outstanding. Strictly Uncirculated examples are very scarce, with just six such pieces offered in our auctions. This is a beautiful note with all the eye appeal of a Choice Uncirculated example. The paper is bright with solid margins all around on this PMG **Choice About Uncirculated 58** BC-11. With realizations nearly \$20,000 for full Gems, expect a realization here of... (10,000-15,000)

Starting Bid: \$6,000

27146 BC-11 \$25 1935.

This denomination was not part of the regular Series of 1935 issue, but was printed as a special commemorative tribute marking the 25th anniversary of H.M. King George V's accession to the throne. 140,000 English Text examples were printed, along with 20,000 pieces bearing the text in French. The entire issue was in circulation for only two years, as the Bank of Canada in May of 1937 chose to cancel all new \$25 notes and redeem those already in circulation. Of the 160,000 pieces issued in both languages, a total of only 1,840 were outstanding by 2006. This English Text example is graded **Very Fine 30** by PMG, which mentions minor edge damage that is merely a tiny paper pull in in the right margin. (3,000-4,000)

Starting Bid: \$1,800

French Text \$25 with Low Serial Number F000008

27147 BC-12 \$25 1935.

This lovely French Text \$25 note could well be one of the nicest such examples extant. It is totally original, well centered, brightly colored, and nicely embossed. There are just the slightest of handling marks resulting in its grade of PCGS **Choice About New 58PPQ**. It also has the added feature of low serial number F000008. With most of the low numbers ensconced in the holdings of the Bank of Canada's Currency Museum, this offering presents a great opportunity for the aficionados of this popular series. (20,000-30,000)

Starting Bid: \$12,000

Lightly Handled French Text \$25

27148 BC-12 \$25 1935.

The French Text 1935 \$25 commemorative is a rare item in all grades, with a mere 20,000 printed. Just a light fold and a trace of handling are found on this crisp, well margined, and sharply inked example. PMG mentions a minor restoration on the holder of this pretty note but any such restoration is not readily visible. PMG **About Uncirculated 53**. (6,000-8,000)

Starting Bid: \$3,600

High Grade 1935 \$50

27149 BC-13 \$50 1935.

A beautiful \$50 with full originality and certainly worthy of at least the PCGS **Very Choice New 64PPQ** grade. Both major grading services combined have graded only two higher and one equal. Two of those notes are also found in the *Canadian Paper Money Society Note Registry 2013*. This is by far the nicest BC-13 to find its way to Heritage and we are pleased to make it available at auction. (15,000-25,000)

Starting Bid: \$9,000

27150 BC-14 \$50 1935.

Far fewer French text notes were printed than their English counterparts, leaving all French notes hotly pursued by today's collectors. This example exhibits sharp ink colors and even, problem free wear. PMG Very Fine 25. (3,000-4,000) Starting Bid: \$1,800

BC-15A \$100 1935 PCGS 58

27151 BC-15 \$100 1935.

A striking PCGS Choice About New 58 example of a rare note. This is the second highest graded BC-15 to enter our auctions. The Charlton value in AU is \$10,000 Canadian. (7,000-9,000)

Starting Bid: \$4,200

27152 BC-17FP/BP \$500 1935 Face and Back Proofs.

A gorgeous pair of English version Face and Back Proofs that are both well-centered, hole punch cancelled, and mounted on cardstock. The face grades PCGS Choice New 63PPQ and the back is Superb Gem New 67PPQ. The cancels more appropriately should be termed "shadow cancels" as they have barely disturbed the paper. The \$500 denomination was retired permanently in July 1938. Collectors possess only nine issued English language \$500s, while there are no known French \$500s in private collections, according to the *Canadian Paper Money Society Note Registry 2013*. This in turn puts upward pressure on the few \$500 Proofs in the numismatic community. (Total: 2 notes) (3,000-4,000)

Starting Bid: \$1,800

1935 \$500 French Text Face and Back Proofs

**27153 BC-18FP/BP \$500 1935 French Face and Back Proofs.**

Not a single French text \$500 is known in private collections from its meager printing of only 5000. Therefore, the pressure is on the few Proofs and Specimens that are extant. The face grades PMG **Superb Gem Unc 67 EPQ**, while the back clocks in at PMG **Choice Uncirculated 64** with an approximate .375 inch tear at bottom center. PMG has not graded another Proof example of the face equal or higher of the grand total of two that have traveled to their offices. PMG states on the label that there is pencil on the back of the card stock. That is the pencilled control number of "0797" that graces the backs of each. Pencil writing of control numbers on the back is commonplace for Proofs. Both of these rare Proofs are held in a multi-note holder, therefore the item count is one. (Total: 2 notes) (12,500-17,500)

Starting Bid: \$7,500

\$1000 1935 PMG 64 EPQ

27154 BC-19 \$1000 1935.

Another exceptional note from this splendid collection of high grade Canadian. This nicely preserved \$1000 grades PMG **Choice Uncirculated 64 EPQ**. We have offered only two BC-19 pieces graded higher and none equal. The two higher were PMG 65 EPQ and they went for \$16,100 and \$25,850 in June 2010 and April 2014 respectively. This is a beautiful \$1000 and worthy of a bid in the neighborhood of... (15,000-25,000)

Starting Bid: \$9,000

27155 BC-21b \$1 1937.

An attractive, well margined, lightly circulated H/A prefix example of the scarce Narrow Signature Panel variety. PMG **Extremely Fine 40 EPQ**. (500-700)

Starting Bid: \$300

This pleasing group of Wide Panel variety notes all grade Gem. PMG **Gem Uncirculated 66 EPQ and 65 EPQ (4)**. (Total: 5 notes) (500-700)

Starting Bid: \$300

100 Consecutive Wide Panel 1937 \$1 Notes

27157 BC-21c \$1 1937 100 Consecutive Examples.

A crisp, well margined, and embossed group of these Wide Signature Panel examples that feature rich color and original paper surfaces. They grade **Crisp Uncirculated or Better** with some of the pieces displaying some minor teller handling. (Total: 100 notes) (8,000-10,000)

Starting Bid: \$4,800 1009 HP

27158 BC-21d \$1 1937 Five Consecutive Examples.

Tonight's offering is only the second note we have ever handled from this rare bank. 27206 Montreal, PQ- The Royal Bank of Canada \$10 Jan. 2, 1935 Ch. # 630-18-04a.

The last time this note sold with us the description was, "A quick look at the PMG Population Report confirms this note is the finest example graded by them. The note is nicely margined, and the colors are breathtaking. We feel our estimate here today may prove conservative. PMG **Superb Gem Unc 67 EPQ**." It brought just a touch under \$800. (800-1,100)

Starting Bid: \$480

27207 Montreal, PQ- The Royal Bank of Canada \$5 Jan. 2, 1943 Ch. # 630-20-02S Specimen.

27208 Montreal, LC- Union Bank \$5 Aug. 1, 1838 Ch. # 725-12-06. This was a private bank active from about 1838 through 1841. The design elements remain quite bold on this evenly circulated and solid PMG **Very Fine 20** example that only has some minor staining. (500-700)

Starting Bid: \$300

27211 Saint Johns, NF- Union Bank of Newfoundland £1 1880 Ch. # 750-14-06. This bank's forty year existence was terminated due to a run on the bank precipitated by the failure of the Commercial Bank of Newfoundland in 1894. Notes from this bank continue to be redeemable by the government of Newfoundland at eighty cents on the dollar. It's unlikely that anyone will seek to redeem this moderately circulated example that has some foxing on its back. PMG **Choice Fine 15 Net**. (1,500-2,000)
Starting Bid: \$900

27212 St. John's NF- Newfoundland Government Cash Note 40 Cents 1904 Ch. # NF-2d. These notes were used by the Government of Newfoundland for public and marine works projects as well as welfare payments. Starting Bid: \$600

27214 St. John's NF- Government of Newfoundland \$1 1920 Ch. NF-12d.

Easily one of the finest examples of this short-lived Newfoundland issue that has appeared in one of our auctions. Only about \$12,000 remains outstanding on a print run of 1.2 million notes, with most of the surviving examples found in the very low grades. This well margined and embossed note is a happy exception with its only flaw being a very minor edge repair that is not readily discernable through the PCGS holder. While not quite in the league of the PCGS Gem New 66PPQ example that sold for \$22,325 in our April 2016 auction, this pretty PCGS **Apparent Very Choice New 64** note should easily achieve our estimate of... (4,000-5,000)

Starting Bid: \$2,400

A quite lovely uncut sheet of four 1888 \$5 specimens from this major Canadian bank where its issued notes with that date are prohibitively rare. There is a printer's stamp on the top note and a few specks of residue are observed but, otherwise, this rare specimen sheet is as fresh and bright as the day it was printed. PMG **About Uncirculated 55 Net** with 3 POCs. (5,000-7,000)

Starting Bid: \$3,000

27218 Toronto, ON- Canadian Bank of Commerce \$10 Jan. 2, 1888 Ch. # 75-14-16FP Face Proof.

Starting Bid: \$2,400

27222 Toronto, ON- Canadian Bank of Commerce \$10 Jan. 2, 1917 Ch # 75-16-04-12a.

PMG **Very Good 8**, with some graffiti. (1,000-1,200)

Starting Bid: \$600

27226 Toronto, ON- Dominion Bank \$5 Jan. 3, 1938 Ch. # 220-28-02.

A fantastic piece of Cuban history, this 1000 Pesos indented bond is dated June 1, 1869 from New York, where a number of prominent Cuban exiles were living at the time. This piece is numbered 1620, with the serial number on the left printed in red ink and the serial on the right printed in black ink. The signatures of Jose Morales Lemus and J.F. Basora are seen on this bond. General John A. Rawlins, who had been a heartfelt supporter of the Cuban Revolution, died in 1869 and funds were raised to support his widow and two young children. Ink signatures and the embossed seal remain strong on this pretty example. PMG **About Uncirculated 55**. (500-700)

Starting Bid: \$300

27316 **Cuba** Interest Bearing Certificate 500 Pesos 1.6.1869 Pick Unlisted.

A smaller denomination issued under the name of La Republica de Cuba during the Cuban independence effort from Spain. A vignette of the seal of the patriots is featured in the center. Like the 1000 Pesos denomination, these bonds were also issued in New York and generally sold to supporters of the movement in the United States. Stamped signature of Jose Morales Lemus and a manuscript signature of J.F. Basora are seen on this bond. PMG **Very Fine 30 Net**, repaired, previously mounted. (700-900)

PMG **Choice Extremely Fine 45**. (5,000-7,000)
Starting Bid: \$3,000

27319 Cuba Tesoro de la Isla de Cuba 5 Pesos 12.8.1891 Pick 39b. 27325 Cuba Republica de Cuba 1000 6.9.1869 Pick 60.

A lovely example of the highest denomination issued during the 1868-76 Cuban Revolution. The vignette of three women at right was also used for the 1861 \$20 Confederate T-17 notes that were printed by Hoyer & Ludwig in Richmond, VA. The figures represent *Ceres*, the goddess of agriculture, flanked by *Commerce* and *Navigation*. The design is also found on Obsolete notes issued by a number of different states as well as several banks. A representation of Union is observed at left and an eagle with outstretched wings is depicted at bottom center. PMG About Uncirculated 55 Net, with some minor ink burn in the left signature. (2,000-3,000)

Starting Bid: \$1,200

27324 Cuba Republica de Cuba 8.9.1869 Pick 59.

A pleasing example of this seldom seen high denomination note from this early Revolutionary issue and the first piece to grace one of our auctions. This proof is executed with heavy intaglio embossing on light archival paper. 2 POCs are seen over the signature areas. An absolute beauty, especially of this rare date that is almost impossible to obtain in any form. PMG Choice Uncirculated 64 Net, previously mounted, annotations. (2,500-3,500)

Starting Bid: \$1,500

27329 Cuba Republica de Cuba 500 Pesos 1944 Pick 75s Specimen.

Even with the outstanding pink underprint and pink intaglio features on the back, do not confuse it with the later notes printed by the American Bank Note Company! All other notes of this Certificado de Plata series were designed and printed by the BEP, and had a distinctively US currency look to it, down to the narrower serial number font. These higher value 500 and 1000 Pesos denominations of this series were produced by the American Bank Note Company, with the 500 Pesos of this 1944 issue date only known as a Specimen. Heavy embossing as expected on American Bank Note Company examples is seen on this Specimen with zero serial numbers and 2 POCs. PMG Choice Uncirculated 64 EPQ. (2,500-3,500)

Starting Bid: \$1,500

Danzig Pick 30 PMG 67 EPQ

27353 **Danzig** Senate of Municipality - Free City 5 Milliarden 11.10.1923 Pick 30.
As the inflation crisis built up more and more steam in the summer and autumn of 1923, the Senate passed periodically more decrees that permitted higher denominations with the last being in October. Late October saw currency reform with a new issuer and the replacement of the Mark with the Gulden. The planning for the Gulden switchover began in July 1923, when it was announced that a new independent currency was being established with the approval of the League of Nations finance committee. The Gulden's rate of exchange was introduced at a value of 25 Gulden equals £1 Sterling. This charming uniface note grades PMG Superb Gem Unc 67 EPQ with embossing. This is the highest graded Pick 30 seen by PMG with no equals. The highest auction price for this number that we know of is \$1840 during 2014 for a PMG 66 EPQ example. Also, we see that PMG has not graded a single Danzig note of any number higher. This makes for an estimate in the range of... (3,000-5,000)
Starting Bid: \$1,800

27354 **Danzig** Senate of the Municipality 10 Milliarden Mark 11.10.1923 Pick 31b.
Three years ago, a PMG 64 EPQ crossed the auction block at \$1,265 against a SCWPM listed value of \$1,000 in Uncirculated condition. This fully margined and boldly embossed Gem is the only other high grade example to hit a major auction since and could easily best that price. PMG Gem Uncirculated 65 EPQ. (1,000-1,500)
Starting Bid: \$600

27355 **Danzig** Bank von Danzig 500 Gulden 10.2.1924 Pick 56.
This beautiful PMG **Choice Uncirculated 64** note with serial number E008558 exhibits wide margins and ideal inks. It is a favorite Danzig note among collectors showing the Zeughaus on the face and the city's Neptune Fountain on the back. 27356 **Danzig** Bank von Danzig 100 Gulden 1.8.1931 Pick 62.

The final paper money issue for this free city state. Danzig was annexed by Nazi Germany on September 1, 1939 on the first day of World War II in Europe. Reichsmark coins and notes then became legal tender alongside the Gulden. There were two official exchange rates in effect depending upon the situation. The Gulden was redeemable until July 25, 1940. Collectors are fortunate that a few survived in high grades. PMG **Gem Uncirculated 65 EPQ**. (1,500-2,000)
Starting Bid: \$900

Starting Bid: \$900

27373 **Egypt** National Bank of Egypt 25 Piastres 9.6.1918 Pick 10a.

The early date is the true highlight of this PMG **Very Fine 25** note. Owing to its small denomination and frequent use in commerce, earlier examples are very difficult to find in any condition. We have auctioned only one other Pick 10a. That PMG VF 25PPQ example realized \$940 in September 2014. (600-800)

Starting Bid: \$360

27374 Egypt National Bank of Egypt 50 Piastres 7.6.1917 Pick 11.
A fantastically appealing small change note with all original colors. As these notes were supposed to circulate like coins, earlier dated examples such as this are rare today. A previous Extremely Fine 40PPQ example from the Ruth Hill Collection realized \$3,818,75 in 2014. This example with just as much appeal is expected to realize just as much. PMG **Choice Very Fine 35.**

From The Alta California Collection (3,000-5,000)

Starting Bid: \$1,800

27376 Egypt National Bank of Egypt £50 4.8.1942 Pick 15c.

Attractive 1924 Egyptian Pound

27375 Egypt National Bank of Egypt £1 23.7.1918 Pick 12a.
Wonderful colors on both sides are still well preserved on this earlier Rowlatt signature. This was the first signature seen on this long standing design, which features a Stone Gate. PMG **Choice Very Fine 35.**

From The Alta California Collection (1,000-1,500)

Starting Bid: \$600

27377 Egypt Egyptian Government £1 5.9.1924 Pick 18.
The variegated color tones remain bold, despite some very minor wear. With sharp corners and bright paper, the grade is almost entirely due to the number of bends, rather than actual time spent in circulation. While survivors in the Very Good to Very Fine range seem plentiful, there is a huge jump in price to Extremely Fine. Any Very Fine 35 is likely to command significantly more than a Very Fine 20, as it's a world apart in terms of eye appeal, especially an example like this. PMG **Choice Very Fine 35.** (2,500-3,500)
Starting Bid: \$1,500

27378 **Egypt** National Bank of Egypt £1 9.11.1929 Pick 20.

Starting Bid: \$1,200

27379 **Egypt** National Bank of Egypt £1 16.3.1942 Pick 22s Specimen.
The typical handwritten control number and date of 17.3.42 are written in the top margin. A very tiny roulette cancel is seen, leaving the vividly printed design details in full view. PMG **Choice Uncirculated 64**. (700-900)
Starting Bid: \$420

27380 **Egypt** National Bank of Egypt 10 Pounds Egyptian 9.7.1941 Pick 23sp Specimen Proof.
With wonderful vignettes of Cairo and the countryside, this World War II era Bradbury, Wilkinson & Co. specimen grades **About Uncirculated 55 Net** per PMG due to printer's annotations in the face top margin and faint evidence of previous mounting on the back. (800-1,000)
Starting Bid: \$480

27381 **Egypt** Central Bank of Egypt 25 Piastres 1985-2007 Pick 57s Specimen.

27383 **Egypt** Egyptian Government 10 Piastres 27.5.1917 Pick 160b.

A lovely and original note with excellent color and embossing of the serial number present. A minor center bend is seen, but it is nearly invisible from the face, giving this note an overall Uncirculated appearance. PMG **About Uncirculated 55 EPQ**. (600-800)

Starting Bid: \$360

27384 **Egypt** Egyptian Government 5 Piastres 1940 Pick 163.

All Proofs grade PMG **Gem Uncirculated 66 EPQ**, except for the 1920 5 Colones Proof, which grades PMG **Choice Uncirculated 64**. (Total: 4 notes) (600-800)

Starting Bid: \$360

27388 El Salvador El Banco Occidental 1 Colon 1.1.1929 Pick S192.

The underprint color on this ABNCo product is particularly impressive, and this is only accentuated on a high grade beauty in this state of preservation. Original paper surfaces and evenly spaced margins add to the appeal as well. PMG **Gem Uncirculated 66 EPQ**. (500-800)

Starting Bid: \$300

27389 El Salvador El Banco Occidental 25 Colones ND (1929) Pick S197fp Face Proof.

From The Alta California Collection (500-700)

Starting Bid: \$300

27396 **Ethiopia** Bank of Ethiopia 50 Thalers 1.5.1932 Pick 9.

Starting Bid: \$530

27402 European Union European Central Bank 100 Euro 2002 Pick 12s.
Some have suggested that, with the retirement of the 500 Euro note by 2018, the same fate may be awaiting the 100 Euro denomination. This particular example was intended for use in Italy as indicated by the S prefix of the serial number. As such it is quite an elusive issue. PMG grades it **Gem Uncirculated 66 EPQ.** (600-900)
Starting Bid: \$360

27400 European Union European Central Bank 500 Euros 2002 Pick 7x.
Prefix X was used for notes printed in Germany. This example is a fully embossed and bright example with all the look of a Gem example. PCGS **Very Choice New 64PPQ.** (800-1,200)

Falkland Islands Rarity

A number only listed up to Fine for issued notes with a value of \$4000 in Krause. The counterfoil at left would have been filled out for when this note went into circulation and when it was withdrawn. This remainder grades PMG **Extremely Fine 40**, punch hole. (5,000-7,000)

Starting Bid: \$3,000

Falklands £5 Pick A4r PMG AU 55

27404 **Falkland Islands** British Administration Government of the Falkland Islands £5 ND (1899-1905) Pick A4r.

A PMG **About Uncirculated 55** remainder with a counterfoil at left, a center fold, and an adhesive along the left edge. This £5 note is listed as “rare” and without any value in the Krause reference. Two other denominations of this issue are listed in the same fashion, while the other two notes of this short issue are listed only up to the grade of Fine. We can find only a few issued notes or Specimens of this 1899-1905 issue to cross the auction block in the last few years. Those have each mostly brought prices in the high four-figure to low five-figure range. (6,000-8,000)

Starting Bid: \$3,600

27405 Falkland Islands Government of the Falkland Islands 10 Shillings 19.5.1938 Pick 4.

Collectors of notes from the Falklands should pay careful attention to this offering. While high grade examples seem amply available to collectors this 1938 issue is rarely seen this nice. In terms of third party graded Gems, none have been offered recently according to our records. This example is perfectly original with full embossing of the black overprint easily visible. PMG Gem Uncirculated 66 EPQ. (1,000-1,500)

Starting Bid: \$600

27406 Falkland Islands Government of the Falkland Islands 1 Pound 20.2.1974 Pick 8b.

27407 Falkland Islands Government of the Falkland Islands £5 30.1.1975 Pick 9b.

Paper originality, four wide margins, and not a trace of handling results in a PMG Gem Uncirculated 66 EPQ note. (750-1,000)

Starting Bid: \$450

27408 Fiji Vakacavacava Fractional Tax Note 25 Cents 1.9.1973 Pick 9b.

It is not often that fractional tax receipts like this one surface at public auction. We have handled only one other example, a cancelled 50 Cent example in similar condition, which was offered in the Ruth Hill Collection and realized \$1410. This 25 Cent example has been pen cancelled and exhibits edge damage. The paper is still solid and firm, and all of its design elements are quite distinguishable. PMG grades this Choice Fine 15.

From The Alta California Collection (500-1,000)

Starting Bid: \$300

27409 **Fiji** Government of Fiji 5 Shillings 1.7.1929 Pick 25j.
This date is offered infrequently, with no recent offerings according to our records. Few survivors of the issue are seen in grades above Very Fine, making this piece a consideration for serious Fijian collections. Some minor rust is noted, but evident mostly from the back. PMG **Very Fine 25 Net**. (750-1,250)
Starting Bid: \$450

27411 **Finland** Finlands Bank 50 Markkaa 1898 Pick 6b.
An early example from Finland that was exchangeable for gold specie, as stated on the note. PMG **Very Fine 20 Net**, with some tape repaired tears. (600-800)
Starting Bid: \$360

27410 **Fiji** Government of Fiji £1 1.1.1967 Pick 53i.
The final and arguably most elusive date and signature combination is seen on this pack fresh example. Embossing is sharp as expected on this well preserved note. PCGS **Gem New 66PPQ**. (700-900)
Starting Bid: \$420

Rare Uncut 500 Markkaa 1898 Pair

27412 **Finland** Finlands Bank 500 Markkaa 1898 Pick 8 Two Note Uncut Sheet.

A rare number with this remainder pair grading PMG **About Uncirculated 55**, punch hole cancelled. We saw a similar raw AU 50 pair in 2016 go for almost \$9900. These are the first Pick 8 examples to land on our desk. (10,000-15,000)

Starting Bid: \$6,000

27413 Finland Finlands Bank 1000 Markkaa (1931-45) Pick 67a. An oversized brown note of famous design featuring 13 allegorical nude and seminude persons on a beach or lake front. The reverse has the Arms set in the middle of a mystical pine tree, with the 1922 date printed below. "Litt. C" is stamped on the front, which indicates the actual period of issue between 1931 and 1945. This note used to be available in Unc condition, but seldom ever now. This fully original piece comes close but does have a center fold hidden in the heavily watermarked paper. When we last offered this piece it realized around \$1,300, which is no surprise given the rarity and eye appeal. PMG **About Uncirculated 55 EPQ**. From *The Yuri Solovey Collection* (1,250-1,750)
Starting Bid: \$750

27414 Finland Russian Administration 20 Kopeks 1825 Pick A24. An example grading PMG **Very Fine 25 Net** with tape repairs. One of the nicer A24's to come to market in the last few years. From *The Alta California Collection* (1,000-1,500)
Starting Bid: \$600

27415 Finland Russian Administration 1 Ruble 27.5.1829 Pick A27b. We have not offered this rare number before. Appearances in other auction venues in recent years are nonexistent, too. PMG **Very Fine 20 Net**, repaired. From *The Alta California Collection* (1,000-1,500)
Starting Bid: \$600

27416 France La Banque Royale January 1, 1720 10 Livres PMG Very Fine 35 Net Pick A16b.

We sold a similar specimen in the Newman collection which we described as follows: "The second series Banque Royale notes are scarce. The Ford notes were dispersed several years ago, and these notes are now only occasionally seen in American sales. This example was printed on watermarked white paper. Part of the indent design text at the left is visible. With subtle tone and only some moderate wear, this is a problem-free "John Law" type note." That piece was graded Very Fine 25 by PCGS and fetched \$1265. This example is a bit nicer, especially when viewed from the front, but does have some tape repairs on the back, along with traces of a former mounting. PMG **Choice Very Fine 35 Net**. (900-1,200)
Starting Bid: \$525

27420 France Banque de France 5000 Francs 6.9.1945 Pick 103c.

Marianne and effigies of her colonies are featured on this colorful polychrome note from World War II. Only the lightest touches of handling are seen on this example, not uncommon for such a grandly sized note. The excellent eye appeal is retained. PCGS **Choice About New 55**. (500-700)

Starting Bid: \$300

27421 France Banque de France 10,000 Francs 1945-56 Pick 132sp Uniface Face and Back Specimens.

27424 France Banque de France 50 Nouveaux Francs / 5000 Francs 30.10.1958 Pick 139a.

In 1960, the French revalued the Franc by removing two zeros. As part of the transition process, old notes were stamped with their new value expressed in Nouveaux Francs. Thus this 5000 Franc issue was revalued as 50 Nouveaux (or New) Francs. PCGS grades this example **Apparent Very Fine 30** due to a couple of small masked rust stains in the margins. (800-1,000)

Starting Bid: \$480

27425 France Banque de France 100 Nouveaux Francs / 10,000 Francs 30.10.1958 Pick 140.

One of the most visually striking modern French notes, featuring a brooding portrait of Napoleon Bonaparte and the Arc de Triomphe, this 10,000 Franc note was overprinted to serve as a 100 Nouveaux Franc note circa 1960. PMG grades this example **Choice Extremely Fine 45 Net** due to a small edge tear beneath Napoleon's left arm. (900-1,200)

Starting Bid: \$525

27426 France Banque de France 10 Nouveaux Francs 1.12.1960 Pick 142 Four Examples.

Three of the notes are consecutive while the first is just one away from completing the run. Mostly handling accounts for the grade as these notes spent some time in a wallet pressed against some coins with an imprint visible on two of the notes. A pinhole is also noticed along the margin at right on all four notes. **Choice About Uncirculated**. (Total: 4 notes) (500-700)

Starting Bid: \$300

Starting Bid: \$800

27431 **French Antilles** Institut d'Emission des Departements d'Outre-Mer 100 Francs ND (1964) Pick 10b. A lovely large format note, this 100 Franc piece utilizes precise face to back registration of Schoelcher's head as a counterfeit deterrent in addition to the traditional watermarks and color registration. **PCGS grades this example Superb Gem New 67PPQ.** (1,200-1,700)
Starting Bid: \$900

27432 **French Equatorial Africa** Caisse Centrale de la France d'Outre-Mer 1000 Francs 2.2.1944 Pick 19a. Though the design is strikingly similar to the wartime 1941 issue, the most important change is the reversion of the issuer from the Free France Authority to the Overseas France Authority. Black serial numbers should also be noted. **PCGS Apparent Very Fine 25**, small edge splits, tears, and repairs.

27433 **French Equatorial Africa** Caisse Centrale de la France d'Outre-Mer 20 Francs ND (1947) Pick 22. Military leader Emile Gentil is featured on this colorful and heavily embossed example issued for French interests in Africa. The embossing, especially of the title of the bank on the back is especially strong. As this was a relatively small denomination, it was heavily circulated, leaving Gem examples such as this elusive today. **PMG Gem Uncirculated 66 EPQ.** (500-700)
Starting Bid: \$300

27434 **French Guiana** Caisse Centrale de la France d'Outre-Mer 500 Francs ND (1947-49) Pick 24s Specimen.

Wonderful 50 Rupees French India Specimen Note

27435 **French India** Banque de l'Indo-Chine 50 Rupees 10.9.1898 Pick A3s Specimen.

French India is one of the least known French territories, consisting of five cities on the east and west coasts of India. These were acquired over the course of nearly one hundred years between 1654 and 1750. These cities were passed back and forth between the colonial powers several times before being permanently ceded to France between 1914 and 1917. All five cities became part of the Republic of India between 1950 and 1954. Needless to say the demand for currency, which was satisfied by an office of the Banque de l'Indochine in Pondicherry, was relatively small and notes issued for use in French India are uniformly very scarce to rare. This 50 Rupees Specimen note is in wonderful condition given the passage of time since this note was printed. With a large SPECIMEN perforation, the only fault on this note is a short margin tear just to the right of the end of the DECRETS ribbon in the upper right margin. Just two notes are listed in the PMG census, this example and another 64, which we actually know to be a Net graded note. PMG grades this note **Choice Uncirculated 64** a grade that it surely deserves. (12,500-17,500)

Starting Bid: \$7,500

27436 **French Indochina** Banque de l'Indo-Chine 20 Piastres ND (1928-31) Pick 50.

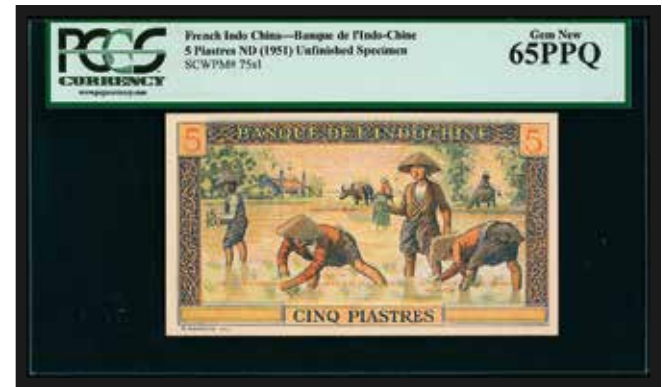

Given the climate and military history of the region, it is a minor miracle that large format notes like this example have survived at all, yet alone in better states of preservation. PMG grades this lovely French-printed note **About Uncirculated 53 Net** due to some light stains, a split, and minor edge damage. A pleasing example that faces up well. (800-1,200)
Starting Bid: \$480

27437 **French Indochina** Banque de l'Indo-Chine 100 Francs ND (1936-39) Pick 51d.

A pleasing note that retains much color and looks only to have sustained a slight corner fold nowhere near the design. All printed details remain quite sharp, and when it was last offered as part of the Hill holdings, it topped \$550, a likely easy feat again today. PCGS **Choice About New 55**.

Starting Bid: \$300

27438 **French Indochina** Banque de l'Indo-Chine 5 Piastres ND (1951) Pick 75s1 Unfinished Specimen.

27441 French West Africa Banque de l'Afrique Occidentale 1000 Francs ND (1948-54) Pick 42s Specimen.

Never mind the minor red ink annotations and the perforated SPECIMEN, French colonial notes like this large format, high denomination note are rapidly disappearing. Printed on bright paper in a riot of soft pastel colors, this note will be a welcomed addition to even advanced French colonial or general world collections. PMG grades it **About Uncirculated 55 EPQ** and rightfully so.

27447 German East Africa Deutsch-Ostafrikanische Bank 100 Rupien 15.6.1905 Pick 4.

This example grades PMG **Very Fine 30 Net** and is the second nicest without any equals of this number to appear at auction in the last three years. The Net grade is for rust, which is minor and in the upper right corner. (800-1,200)

27450 Germany Imperial Treasury Note 5 Mark 11.7.1874 Pick 1.
A note that could start or add to your Pick 1 collection. This example grades **PMG Very Fine 20** with a minor foreign substance. We have offered previously only one other example of this number. It was a PMG VG 10 Net with rust, tape repair, and damage that realized almost \$500 in January 2016. The current piece is much nicer. (2,000-3,000)
Starting Bid: \$1,200

27451 Germany Dachau Concentration Camp 2 Mark (Yellow) 14.4.1945 Campbell 3963a Feller GE-182a Schwan-Boling 1503.
Denomination was by color for this issue for this hellish camp. This note was issued shortly before the concentration camp was liberated on April 29, 1945 by American troops. The prisoner's number who this piece was issued to, 46526, was penned on the face. The clause in the lower left corner translates to, "good for 14 days after date of issue." This example grades **PMG Very Fine 30**, paper pulls, stained, and the annotation of a concentration camp prisoner's number. (800-1,200)
Starting Bid: \$480

27452 Germany Federal Republic 50 Deutsche Mark 1948 Pick 7a.
The currency reform of 1948 replaced the Allied Military Currency marks. The 1948 issue was printed in the United States under the supervision of the Bureau of Engraving and Printing. It was officially designated as "special army currency." This lovely example is well margined with excellent color. **PMG Gem Uncirculated 65 EPQ.** (1,000-1,200)
Starting Bid: \$600

27453 Germany Federal Republic 20 Deutsche Mark ND (1948) Pick 9a.

A rare note and especially so above VF, as at this time few post-war West Germans had the capability of putting aside this denomination. Similarity with United States MPCs is due to the fact that this denomination was printed by Tudor Press without an imprint. This is also an unusual issue, as the notes lack an issuing authority and signatures. In *World War II Remembered*, this is Schwan-Boling 659a. **PMG Gem Uncirculated 66 EPQ.** (1,500-2,500)
Starting Bid: \$900

27454 Germany Federal Republic 20 Deutsche Mark ND (1948) Pick 9a

Another example of this elusive issue printed by the Tudor Press. The colors are bold for the assigned mid-grade. **PCGS Very Fine 35.** (1,000-1,500)
Starting Bid: \$600

Gem Uncirculated 65 EPQ 1948 50 Deutsche Mark

27455 Germany Federal Republic 50 Deutsche Mark ND (1948) Pick 10a.

A beautiful example of this prohibitively rare "special army currency" 50 Deutsche Mark note that was only "in circulation for a few days" according to the Schwan-Boling reference. It is also the first example of this rare series and denomination to grace one of our auctions. A true miracle of survival, it exhibits vibrant color and appears to have rolled off the press this morning. With an identically graded example selling for \$19,550 at auction in 2015, our estimate for this pretty PMG Gem Uncirculated 65 EPQ note may well prove very conservative. (10,000-15,000)

Starting Bid: \$6,000

27456 Germany Federal Republic Bundesbank 500 Deutsche Mark 2.1.1960 Pick 23s Specimen.

This is the first example for this Pick number we are offering on this high denomination and it is a beauty. It is over stamped MUSTER and is number 0282. The colors are bold and the overall look quite pleasing. Certain to eclipse the catalog value listed in SCWPM \$800. PMG Gem Uncirculated 66 EPQ. (1,000-1,500)

Starting Bid: \$600

27457 Germany Federal Republic Bundesbank 1000 Deutsche Mark 2.1.1960 Pick 24s Specimen.

A near perfect example of this ultra-high denomination 1000 Mark specimen note. Like the previous lot it is overprinted several times MUSTER and SPECIMEN and is number 0302. Its current catalog value of \$1200 is likely to be well surpassed here. Johann Schoener is featured prominently as the main figure as well as in the watermark. Last year at FUN we had a PCGS Choice New 63 sell for \$1057.50. PMG Superb Gem Unc 67 EPQ. (1,750-2,750)

27458 Ghana Bank of Ghana £1000 1.7.1958 Pick 4.

Starting Bid: \$360

Rare Complete Gilbert and Ellice Islands Type Set

27459 Gilbert and Ellice Islands British Administration 1; 2; 10 Shillings; £1 1.1.1942 Pick 1; 2; 4; 5.

These four notes form a complete type set for this Western Pacific British colony. Issued in January 1942, these notes were produced just before the islands were occupied by the Japanese who remained in control of the area until November, 1943. These notes are avidly collected by both world paper money and World War II era enthusiasts. Simply put there are not very many of these remaining, yet alone a complete set of all four denominations. As a bonus, these notes, which are typewritten on what appears to be notebook paper with faint embossed seals, grade **Very Fine 25** (2 Shilling and 10 Shilling) and **Very Fine 30** (1 Shilling and £1). Each note has only minor issues such as small tears / splits, minor rust, and stains. Three of the four notes are the plate notes in the SCWPM-General Issues 1368-1960.

Opportunities to acquire a complete set of these elusive notes are few and very far between. If this is your area of interest now is one of those opportunities. (Total: 4 notes) (25,000-35,000)

27470 **Guernsey** States of Guernsey £1 1.6.1963 Pick 43b.
Low serial numbered examples of this Pick number are known in high grade, but a PCGS **Superb Gem New 68PPQ** is well nigh perfect. This piece is serial number 0076, a stunning complement to its exceptional eye appeal. This note last realized \$881.25 at our FUN January 2015 auction. Also, serial number 0061 from the same 35R prefix in PCGS 66PPQ, realized \$1175 in our Long Beach 2014 auction. (800-1,200)

Paper is as excellent as the day it was printed on this all original PCGS **Very Choice New 64PPQ** example. With a previous PMG Gem Uncirculated 65 example realizing \$3,346 in our Hong Kong Auction a few weeks ago, another realization in that area is easily possible. (3,000-3,500)

Very Rare Early Indian Specimen

27502 India Government of India 5 Rupees 8.4.1915 Pick A5s Specimen

A lovely example of this early Indian "white note" that is the first specimen that we have seen of this Pick number. It is similar to notes issued by the Government of Hong Kong and was meant to be signed by the Financial Secretary. Issued from 1907 to 1915, these early British Administration notes are unique in that they featured eight panels which displayed the denomination in eight different languages, due to India's diverse population. PMG **Choice Uncirculated 63 EPQ**, with deeply printed details and excellent color. (12,500-17,500)

Starting Bid: \$7,500

27508 Iran Imperial Bank of Persia 1 Toman ND (1890-1923) Pick 1b Specimen.

Beginning in 1890, the Imperial Bank of Persia contracted with Bradbury, Wilkinson & Co. Ltd. to provide a series of notes for circulation which would ultimately be used from 1890 to 1923. The denominations included 1, 2, 3, 5, 10, 25, 50, 100, 500, and 1000 Tomans. The highest two denominations were held in reserve at the National Treasury.

The basic design for each denomination was common with only the size of the note and the color of the back changing. Naser al-Din Shah Qajar, Shah of Iran from 1848-1896, appeared on the face of each note along with a rendition of the Coat of Arms of Persia. The backs were elaborately engraved with the central focus again being the sword-wielding lion, the Coat of Arms of Persia. The smallest denominations had somewhat simplified back designs. Payable at Tehran, this black serial number 1 Toman note is perforated SPECIMEN. PMG **About Uncirculated 55**.

Starting Bid: \$2,100

27510 **Iran** Contemporary Counterfeit Imperial Bank of Persia 3 Tomans 28.11.1910 Pick 2Ax.

An absolutely outstanding and elusive design. This odd denomination was only issued once during all the series of the Imperial Bank of Persia. While the underprint is impressive, the intaglio features leave much more to be desired. However, at first look and based on the condition, it has confused more than one person as being a genuine note, as it certainly appears to be one at first glance. This may be one of the few chances to acquire this Pick number, and the appealing condition of this example may offset its status as a contemporary counterfeit. A lower estimate will be used for the benefit of collectors. This example grades **Fine** with extensive repairs on the back. *Inspection is advised as there will be no returns on this lot for any reason.* (500-1,000)

Starting Bid: \$300

27511 **Iran** Imperial Bank of Persia 2 Tomans ND (1890-1923) Pick 2s Specimen.

Part of the same series as the previously listed 1 Toman, this Specimen has an all zero serial number and is perforated CANCELLED with printer's annotations in the upper face margin. PMG grades this example, which is stamped Payable at Tehran, **Choice Uncirculated** 64, noting evidence of previous mounting which is not readily apparent through the holder.

Starting Bid: \$1,200

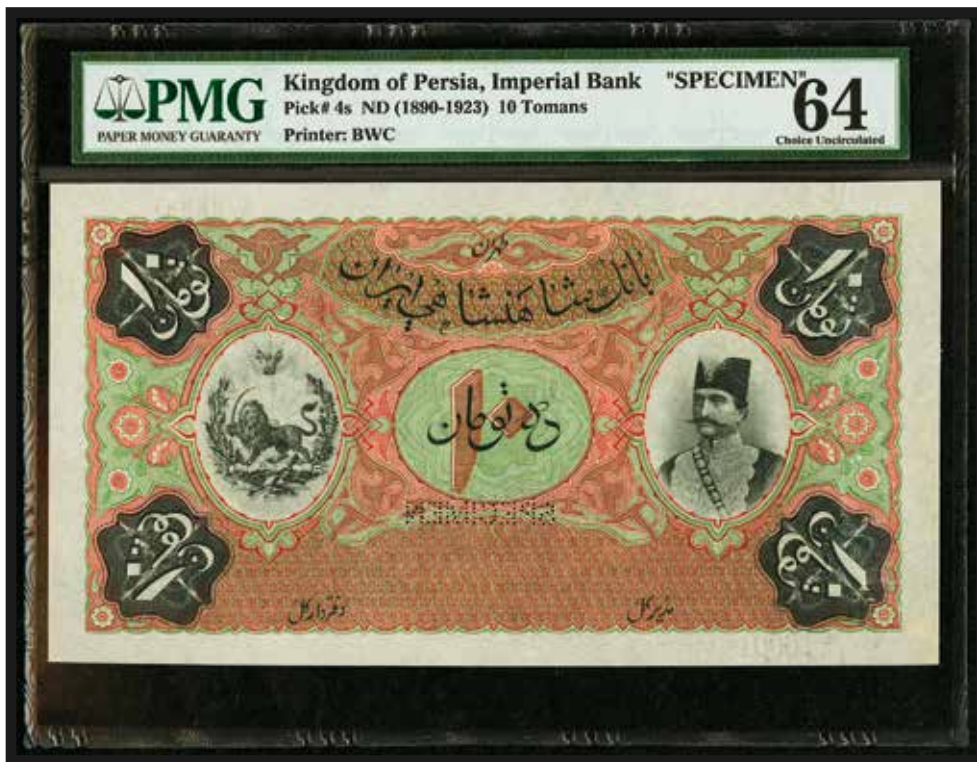

27512 **Iran** Imperial Bank of Persia 5 Tomans ND (1890-1923) Pick 3s Specimen.

20 Tomans Specimen Proof PMG 64

27514 Iran Imperial Bank of Persia 20 Tomans ND (1890-1923) Pick 5sp Specimen Proof.

A rare number that has been nicely preserved and that we have never before offered. This Pick 5sp has four broad margins, ideal color, and serial number embossing in the top margin. The centering is only a couple of millimeters from perfection. An excellent note weighing in at PMG **Choice Uncirculated 64**, with printer's annotations and previously mounted.

From The Lim & Lim Collection (30,000-50,000)

Starting Bid: \$18,000

Iran 25 Tomans Pick 6ctsf PMG 64

27515 **Iran** Imperial Bank of Persia 25 Tomans ND (1890-1923) Pick 6ctsf Color Trial Specimen Face.

A Color Trial Specimen lacking green and red ink, except when the inks have been switched on the note. In 1890, the Imperial Bank of Persia contracted with Bradbury, Wilkinson & Co. to provide a series of notes for circulation which would ultimately be used from 1890 to 1923. Issued notes for Pick 6 are listed as "rare" without any values. This PMG **Choice Uncirculated 64** example is about 1 millimeter away from perfect centering. There is a pencilled "37" in the upper right margin, too. Collectors come out in force for this early issue, so look for the hammer to fall in the neighborhood of... (10,000-15,000)

Starting Bid: \$6,000

50 Tomans Specimen Proof PMG 64

27516 Iran Imperial Bank of Persia 50 Tomans ND (1890-1923) Pick 7s Specimen.

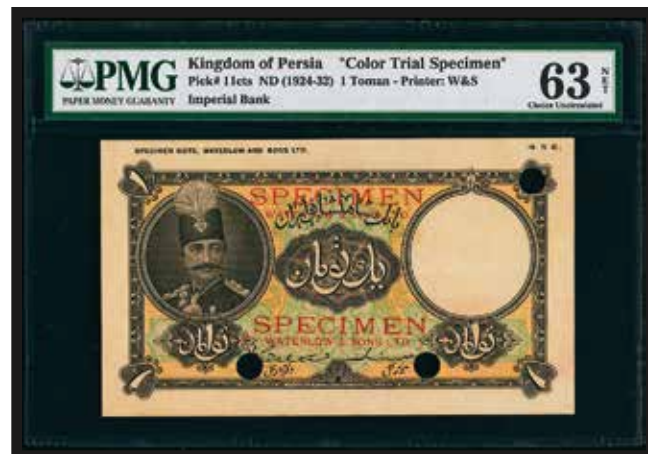

A rare Specimen with oh so close to perfect centering. This is one of the nicer examples of this Specimen that we are aware of to step up to auction within the last six years. This PMG **Choice About Unc 58** piece has the look of a higher grade through the third party holder. It is "Payable at Teheran Only" and is worthy of a five-figure bid.

From The Lim & Lim Collection (10,000-15,000)

Starting Bid: \$6,000

27517 **Iran** Imperial Bank of Persia 1 Toman ND (1924-1932) Bushire Pick 11.
Payable at Bushire only, this is a nice note with colors that are bright. The issuing stamp and date stamp are bold and fully inked and an A/S prefix is seen. A very appealing example that looks much better than its grade. PMG **Very Fine 30**. The third party grading company has noted "Minor Restoration" on the back of the holder. (2,000-2,500)
Starting Bid: \$1,200

27518 **Iran** Imperial Bank of Persia 1 Toman ND (1924-32) Pick 11cts Color Trial Specimen.
A Waterlow & Son Color Trial Specimen where the pink and light green colors on the face are switched when compared to an issued Pick 11. Also this Pick 11cts has a green and black back as compared to pink and green. PMG **Choice Uncirculated 63 Net**, previously mounted. 3 POCs. (2,500-3,500)
Starting Bid: \$1,500

Wholly Original 1930 2 Tomans Note

27519 **Iran** Imperial Bank of Persia 2 Tomans 7.12.1930 Pick 12.
The PPQ designation must be noted on this smaller denomination which was expected to be heavily circulated. In addition to that, the "2" denomination was not popular in Persia at the time, hence reducing its issuance. All colors and stamps are excellent and both sides face up well. The most recent example of this denomination we handled was a Choice Very Fine 35 example, which realized \$4,230 in September 2016. With this one being of one step higher and with a PPQ designation, it is expected to do better. PCGS **Extremely Fine 45PPQ**. (5,000-7,000)
Starting Bid: \$3,000

27520 **Iran** Imperial Bank of Persia 2 Tomans 19.2.19 Pick 12. Though PMG has mentioned splits on the back of the holder, the paper remains solid with all features easily distinguishable. A scarce note in any condition. PMG **Choice Fine 15**. (800-1,000)
Starting Bid: \$480

27522 **Iran** Imperial Bank of Persia 5 Tomans ND (1924-32) Pick 13cts Color Trial Specimen. A Color Trial Specimen with a blue ink back instead of the green ink for notes printed for circulation. This example grades PMG **Choice Uncirculated 63 Net**, previously mounted. A raw AU with residue achieved a price \$3424.57 in 2016. 3 POCs. (4,000-6,000)
Starting Bid: \$2,400

27521 **Iran** Imperial Bank of Persia 5 Tomans 12.11.1927 Pick 13. Of the ten examples certified by PMG, nine have been graded VF 25 or lower, with one example coming in at VF 35. Though this mid grade example has its share of problems, nearly all of these surviving issued examples have their share of similar problems or heavy circulation. PMG **Very Fine 20**, Minor edge and internal damage, minor repairs. The adverse comments sound much harsher than they actually are. (2,500-3,500)
Starting Bid: \$1,500

27523 **Iran** Imperial Bank of Persia 10 Tomans 13.7.1927 Pick 14. Believe it or not, this 10 Tomans issue is actually the finest of nine total examples graded by PMG **Very Fine 30 Net**, which speaks volumes about its rarity. There are a few small repairs found throughout the body of the note, but by and large the still retains solid color with all features fully discernable. (3,000-4,000)
Starting Bid: \$1,800

Kingdom of Persia Pick 14cts

27524 **Iran** Imperial Bank of Persia 10 Tomans ND (1924-32) Pick 14cts Color Trial Specimen.

An unissued design reminiscent of Pick 17A with a portrait of Shah Reza wearing a high cap. The back is the Palace of 40 Columns. Each page is uniface and contains the same face and back design. Different colors and shades are used throughout the 32 examples. The page measurements are approximately 8.5 by 10.5 inches. The album for these pages is included and the front and back marble board covers have separated. The title on the outside of the front cover is *Billets de l'Iran*. This is a very important body of work. The individual sheets grade **Uncirculated** or better with one having a large pencilled "X" on it. The item count is 34 composed of 32 sheets plus the front and back covers. *There will be no returns on this lot for any reason.* (Total: 34 items) (60,000-80,000)

10000 Rials Specimen Note

27532 Iran Bank Melli 10000 Rials AH1317 (1938) Pick 38Cs Specimen.

An extremely difficult large denomination example from the 1937-38 issue and a note that is unpriced in issued form in the Krause reference and unlisted as a Specimen. The state of preservation is remarkable, with the subtle change in underprint colors bright and enticing. The slightest traces of a previous mounting account for the apparent designation for this pretty specimen. PCGS **Apparent Choice About New 58**. (5,000-8,000)

Starting Bid: \$3,000

27533 Iran Bank Melli 100 Rials ND (1944) Pick 44.

27540 Iraq Government of Iraq 1/4 Dinar 1931 ND (1942) Pick 16a.

A scarce small denomination with this example grading PMG **About Uncirculated 50**, ink lightened, which is in reference to the faint "one dollar..." that was penned in the watermark window. We also still see paper originality with the help of the light handling through the third party holder. This number is most commonly seen in Very Fine and lower grades. The Pick number on the PMG holder is incorrect, and may be rectified by the time of the auction. (1,000-1,200)

Starting Bid: \$600

27541 Iraq Government of Iraq 1/2 Dinar L. 1931 (1942) Pick 17b.

An attractive example of this rare small denomination Iraqi note and the first piece to appear in one of our auctions. The design of this note suggests that the Indian printer used did not have the technical capabilities to produce a watermarked note as the left frame is still present but the space is filled up with an engraved background.

The Pick number on the PMG holder is incorrect, and may be rectified by the time of the auction. Estimating a value for this World War II-era note that has a paucity of auction records is difficult but, based upon its rarity and the current desirability for better Iraqi material, this PMG **Very Fine 25** piece should realize in the range of ... Uncommonly High Grade Scarce King Faisal II Note

27542 Iraq Government of Iraq 1 Dinar 1931 (1941) Pick 15.

Portrait of King Faisal II as a child at right. Lovely blue, pink, and purple inks and generous margins add to this note's fantastic eye appeal. An uncommonly high grade example of an already scarce note. These early Iraqi notes are scarce and quite popular with collectors. This particular piece was last offered as part of the Ruth W. Hill holdings and realized over \$3,500. Since then, just one finer piece has been offered, a PMG 58 than realized nearly \$6,500. PCGS **Extremely Fine 45**.

The 1942 Issue with portrait of the "baby" Faisal II on the right, which was previously a part of the impressive Ruth W. Hill Collection. Bradbury-Wilkinson printer. A well circulated 1 Dinar note with several bits of damage noted on the holder. Still a presentable example of this very popular issue for the collector on a tight budget. PCGS **Apparent Very Fine 30**.

Starting Bid: \$420

27544 Iraq Government of Iraq 5 Dinars (1942) Pick 19a. Brown on multicolor underprint with “baby” King Faisal II portrait on the right. One of the scarcer denominations of the 1942 Issue that is seldom available in high grade. This is an above average circulated example with little wear on the face. The back has some soiling and graffiti on the left margin. Small edge splits and tears are noted. Do not be surprised if the bidding exceeds the upper estimate for this much sought after type. **PCGS Apparent Very Fine 30.**

Starting Bid: \$300

27548 Ireland Currency Commission The Bank of Ireland £5 6.5.1929 Pick 9a.

The second block number is seen on this note which has a 1929 date of issuance, as The Bank of Ireland was one of the largest banks in Ireland at that time, which allowed to issue more notes. Some minor discoloration is noted on this otherwise solid note. PMG **Very Fine 25**. (500-700)

Starting Bid: \$300

27549 Ireland Currency Commission The Hibernian Bank £5 5.8.1938 Pick 15a.

Colors remain bright and are accentuated by the stainless paper on this example. The minor rust stated on the third party label is seen on the back and does not distract from the Ploughman design. The minor pinholes are also well hidden by the ornate design. PMG **About Uncirculated 50**. (1,000-1,300)

Starting Bid: \$600

27550 Ireland Currency Commission The Hibernian Bank £5 5.8.1938 Pick 15a.

Northern Bank £5 PMG 15

27556 Ireland Currency Commission The Northern Bank £5 6.5.1929 Pick 33a.

A rare bank in all denominations and grades. This is the only example that we know of that has appeared at auction within the last five years. An annotation in the back lower margin is cited on the label of the third party holder. However, it does not detract at all from the overall appearance of this PMG Choice Fine 15 Ploughman. (2,000-3,000)

Starting Bid: \$1,200

27557 Ireland Currency Commission The Northern Bank £5 15.3.1933 Pick 33b.

Another rare note on the rare Northern Bank. We cannot find another Pick 33b coming to auction within the last several years. A small tear is mentioned on the third party holder on this otherwise solid PMG Very Fine 25 note. (1,250-2,250)

27560 Ireland Currency Commission The Northern Bank £5 15.3.1933 Pick 33b.

For the sake of accuracy, this is not S102a, a similar looking National Bond also of the \$10 denomination. The popularly recognized series were bearer bonds, issued without names. This example has a written holder, a Mr. O'Leary. The design is also larger and uses different vignettes and portraits from the bearer bond issues. PCGS **Very Fine 30**.

Previously Unknown Denomination

27620 **Liberia** Republic of Liberia 25¢ 26.8.1880 Pick UNL.

An extremely rare denomination from a scarce issue. The Liberian Coat of Arms is seen at center, with a blank reverse. We are aware of one other example, serial number 1974 which is in the National Numismatic Collection. A comment on Wikipedia where the note is imaged states, "Prior to the discovery of this note in the National Numismatic Collection, the 25 cent denomination was not thought to exist." Timing of this online entry by curators of the collection was just days before this note was cataloged, making the timing perfect for delivering the best information possible to collectors. The denomination is accordingly unlisted in the Standard Catalog of World Paper Money and we could not locate any other auction offerings. A spectacular opportunity for the serious Liberia or Africa collectors. PMG **Very Fine 25** with mention of some rust and previous mounting.

From The Alta California Collection (2,000-3,000)

Starting Bid: \$1,200

27621 **Liberia** Central Bank of Liberia \$5; \$10; \$20; \$50; \$100 2003 Pick 26s; 27s; 28s; 29s; 30s Specimens.

From The SOL World Specimen Collection (1,000-1,500)
Starting Bid: \$600

27625 **Lithuania** Bank of Lithuania 100 Litu 1922 Pick 20a.
This is actually a high grade for this note as it grades PMG **Very Fine 20 Net**, with eight edge repairs that are best observed when the note is "candled" before a light source. The previous high grade to come to auction within the last few years was a raw Fine that realized \$1265 in 2015.
From The Alta California Collection (600-800)
Starting Bid: \$360

27626 Lithuania Bank of Lithuania 50 Litu 31.3.1928 Pick 24s2 Face and Back Specimen Pair.

27628 Luxembourg Grand-Duche de Luxembourg 1000 Francs ND (1961-63) Pick 52Bs Specimen.

From The SOL World Specimen Collection (600-800)

Starting Bid: \$360

27633 **Madagascar** Banque de Madagascar 5000 Francs 23.11.1955 Pick 49b.

Moderate circulation is seen on this scarce 5000 Francs note. While pricing exists in the Standard Catalog of World Paper (XF at \$450 and UNC at \$1000), the prices seem irrelevant given the utter lack of auction offerings. A Pick 49a, with the different signature panels was offered a couple years ago realizing around \$700. That realization is likely to be exceeded by this example. The paper is still quite bright, though there are some minor issues disclosed by PMG, including a small hole, some barely visible rust, and minor splits. PMG **Extremely Fine 40**.

From The Alta California Collection (700-900)

Starting Bid: \$420

27634 **Madagascar** Institut d'Emission Malgache 1000 Francs / 200 Ariary ND (1961) Pick 54s Specimen.

Starting Bid: \$300

27643 **Malaysia** Bank Negara 5 Ringgit ND (1986-91) Pick 28s Specimen.

A wonderful note in every capacity. Embossed surfaces, vivid colors, and a fiery red overprint make this note the total package. PMG has rightly awarded this specimen a grade of **Superb Gem Uncirculated 67 EPQ**. *From The SOL World Specimen Collection* (2,500-3,500)

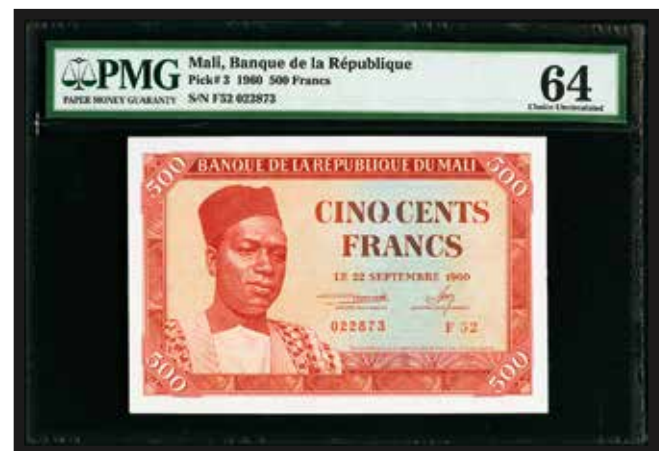

Starting Bid: \$1,500

27644 **Maldives** Maldivian State 1/2 Rufiyaa 1947 Pick 1.

These 1/2 Rufiyaa notes are the lowest denomination of the 1947 issue, though somewhat surprisingly are the the scarcest notes of the issue due to their limited circulation. This uniface note has deep serial number embossing and wholly original paper surfaces. PMG **Gem Uncirculated 66 EPQ**. (1,500-2,000)

Starting Bid: \$900

27645 **Mali** Banque de la République du Mali 500 Francs 22.9.1960 Pick 3.

Starting Bid: \$750

27646 **Mali** Banque de la République du Mali 500 Francs 22.9.1967 (1967) Pick 8s Specimen.

An attractive green and multicolor note with a large vignette of longhorn cattle on the back, this TDLR Specimen (which is boldly stamped as such on both the face and back) grades **Superb Gem Uncirculated 67 EPQ** per PMG. 3 POCs. (1,000-1,200)

Starting Bid: \$650

27649 Mali Banque Centrale du Mali 5000 Francs ND (1972-84) Pick 14a.

A gorgeous, well margined example of this high denomination note that bears the scarcest signature combination for this issue. Almost three years ago, we sold a PCGS Choice About New 58PPQ for over \$1100. This well margined PMG **Gem Uncirculated 65 EPQ** note should easily exceed that number. (1,500-2,000)

Starting Bid: \$900

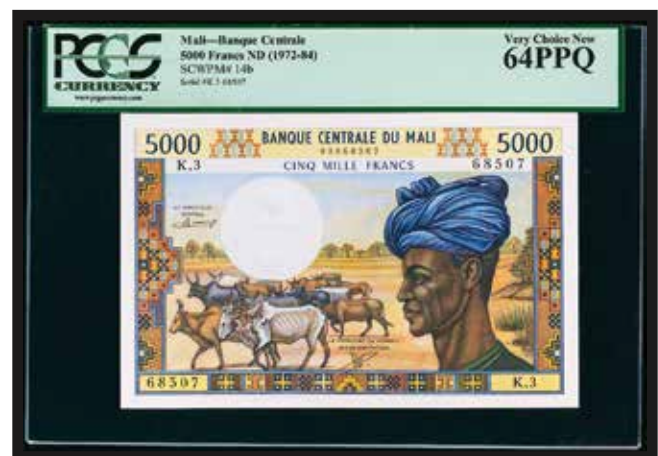

27648 Mali Banque Centrale du Mali 100 Francs ND (1972-73) Pick 11.

The natural paper wave and punch through embossing is easily seen through the third party holder. A pleasing piece which cannot be improved on. PMG **Superb Gem Unc 67 EPQ**.

From The Alta California Collection (500-750)

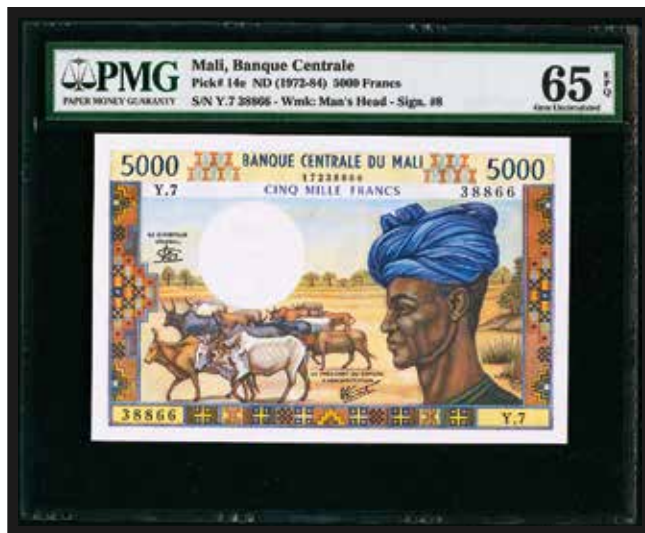

Starting Bid: \$300

Starting Bid: \$600

27651 Mali Banque Centrale du Mali 5000 Francs ND (1972-84) Pick 14e.

27654 Martinique Tresor Colonial 3.3.1858 (1869) Pick A2r Remainder.

The full counterfoil is seen on this remainder note. The dates state the note was authorized in 1855 and 1858, and redeemable on 31.5.1863. However, the issue date and signatures are blank. An appealing and interesting example. Impressive embossing can be easily seen from the back. A small tear is noted. PMG Choice Uncirculated 63. (800-1,000)

Starting Bid: \$480

27655 Martinique Banque de la Martinique 5 Francs 1901 (ND 1934-35) Pick 6.

Perhaps the finest example of this Pick # to be offered at auction in recent years. With ideal margins and paper wave, the note just missed a Gem or higher grade due to pinholes, which are noted by PMG Choice Uncirculated 64.

From The Alta California Collection (500-700)

Starting Bid: \$300

27656 Martinique Banque de la Martinique 500 Francs ND (1932-45) Pick 14.

A wonderful large denomination with excellent colors. A relatively low serial number is seen. The last example of this note we've handled was an Apparent Very Fine 20 example from the Ruth Hill Collection which realized \$1,410 in September 2014. This example with much better colors and paper is expected to realize more. PMG **Very Fine 20 Net**, repaired, tear. (1,500-2,500)

Starting Bid: \$900

Starting Bid: \$1,000

27658 Martinique Banque de la Martinique 1000 Francs ND (1942) Pick 21s Specimen.

We have only handled one other example of this elusive specimen. That example coincidentally was also graded PMG 65 EPQ and realized \$2820 in our January 2016 FUN auction. This specimen is every bit as nice as that example, and we expect a similar result this time around. PMG **Gem Uncirculated 65 EPQ**. 3 POCs. (1,750-2,750)

Starting Bid: \$1,050

27659 Martinique Caisse Centrale de la France d'Outre Mer 5; 50 Francs ND (1947-49) Pick 27s; 30s Specimens.

These stock designs were used for a number of different locations, with the name being added as a secondary operation. These notes are perforated SPECIMEN indicating their purpose. The 5 Francs note grades **Choice About Uncirculated 58 Net** due to paper clip rust stains and an internal tear while the 50 Francs note grades **Choice Uncirculated 64** per PMG.

From The SOL World Specimen Collection (Total: 2 notes) (500-700)

Starting Bid: \$300

27660 Martinique Caisse Centrale de la France d'Outre Mer 1000 Francs ND (1947-49) Pick 33.

A mid-grade example of this high denomination. There are some minor tears and pinholes which don't seem to affect the eye appeal. PMG **Choice Very Fine 35**. A lightly pressed VF example with pinholes missed the \$500 mark by just a dollar in a recent auction. We can expect about the same for this issued note.

From The Alta California Collection (500-600)

Starting Bid: \$300

Starting Bid: \$300

27663 **Mauritania** Banque Centrale de Mauritanie 500 Ouguiya 28.11.1979 Pick 6a.

An incredible note with great eye appeal and an exceptional design that was last offered as part of the Ruth Hill holdings. Though this design was used into the 1990s, the early 1979 date must be noticed on this beautifully preserved example. Wonderful with a G001 block. **PCGS Gem New 66PPQ**. (600-800)

Starting Bid: \$360

This example is worlds nicer and just a few bends from an Uncirculated grade. With a UNC price of \$700 in the catalog and Very Fine examples realizing multiples of the \$175 Very Fine valuation, our estimate here could prove to be way too conservative. Elusive 1944 Issue Palestine £10.

27757 **Palestine** Palestine Currency Board £10 1.1.1944 Pick 9d.

This is only the third time, and the first since 2008 we've handled this grand denomination from the 1944 issue. Notes of Palestine of the 1944 issue were only issued in small amounts, meant to buttress the amount of earlier issues in circulation, and not meant to replace the entire early issues. Combined with World War II in both Europe, (as these notes were printed in London), and in the Middle East, banknote issuance was not a top objective. All colors are excellent, with the paper still strong on this example. Some minor repairs are noted. PMG **Choice Very Fine 35**. (5,000-7,000)

Starting Bid: \$3,000

27759 **Panama** Banco Central de Emisión 1 Balboa 1941 Pick 22a.

A rare note that was legal tender in Panama only from October 2 to October 9, 1941. The anti-American President Dr. Arnulfo Arias took a trip to Cuba on October 9th to visit his paramour. This trip was not authorized by the National Assembly and the National Assembly ousted Dr. Arias from power. All notes that had not been issued during the previous week would have an upcoming engagement with the incinerator. At PMG **Choice Very Fine 35**, retouched and minor rust, this is the highest third party graded example that we have auctioned. The rust is minor and has been lightened. Also, a penned name has been lightened in the back lower right corner. We had a PMG VF 25 Net Pick 22a go for \$1116.25 in January 2015.

From *The Alta California Collection* (1,500-2,000)

The highest denomination of the Reals series before the currency was replaced by the Escudo. The vignette on the face commemorates the Second Portuguese India Armada, which was commanded by Pedro Alvares Cabral, seen on the left. British Military Mission Note in Support of the White Forces

27844 Russia Ashkabad, Turkestan Draft of the British Military Mission 500 Roubles 14.12.1918 Pick UNL.

In 1918, an autonomous force of British troops was sent to Trans-Caspia, the area east of the Caspian Sea, now known as Turkmenistan. The group was commanded by General Wilfred Malleeson; the operation was thus referred to by some as the Malleeson Mission. The mission was launched under the auspices of protecting British interests in Persia and British India from German advances through the region. Political turmoil in the region was nothing new and grew even more complicated by the Bolshevik revolution. A volunteer army was formed to counter Bolsheviks' Red Army. Appropriately named, the White Army, this army grew to 100,000 or more by 1919, including all forms of anti-Bolsheviks, Kuban Cossacks, Don Cossacks, and even conscripted Ukrainian peasants. The Red Army viewed the British presence as an act of hostility, accusing them of conspiring to help the White Army, along with United States forces that were also present in south and eastern Russian territories. Malleeson's forces actively engaged the Bolsheviks with the help of the Transcaspian Government, also known as the Ashkabad Committee.

In late 1918, Malleeson looked to raise funds for his forces, printing drafts on behalf of the British Government that were to pay 500 roubles 3 months after the date to bearer. This draft is signed "for Генерал-Майор Маллесонъ [Major-General Malleeson]" by Captain J.B. Haines, a military officer specially selected for this mission due to his working knowledge of Russian and administrative experience. With some spelling partially obscured, the stamps include, "Великобритания Военная Миссия [British Military Mission]" and "Государственного Банка Ашхабадское Отделение [State Bank Ashkabad Branch]". We found just one other appearance of one of these very important military related notes, a 500 Ruble example that realized more than 7,000 Euros in an auction last year. While the design elements are essentially the same between both pieces, the type is set different between the two notes, including a handwritten "for" on this example, vs. typeset "за" on the other. This piece is about the same condition, but with much clearer stamps on the face. **Fine-Very Fine** with some weakness in the paper at the top and bottom of the center fold. (5,000-7,000)

Starting Bid: \$3,000

27845 Rwanda Banque Nationale du Rwanda 1000 Francs 31.7.1962 Pick 5.

We last handled an About Uncirculated 50 EPQ example, which realized \$3,818.75 in April 2016. PMG **Choice About Uncirculated 58**. (4,000-6,000) Starting Bid: \$2,400

An impressive example that has only seen the lightest handling despite its large size. Some minor repairs are noted. PMG **About Uncirculated 55.** (6,000-9,000)

Starting Bid: \$3,600

27889 Spain Banco de Espana 50 Pesetas 2.1.1898 Pick 47.

Starting Bid: \$900

27890 Spain Banco de Espana 25 Pesetas 17.5.1899 Pick 49.

Starting Bid: \$420

27891 **Spain** Banco de Espana 50 Pesetas 25.11.1899 Pick 50.
An attractive example of this rare early design. The circulation of these locally printed examples paled in comparison to the contemporary notes printed by Bradbury Wilkinson. The inlaid string along the left side serves as an interesting and unique anti-counterfeiting device. The note shows only the lightest signs of circulation, with some not readily observable reconstruction noted by PMG. **About Uncirculated 53 Net.** (2,000-2,500)

Starting Bid: \$1,200

27893 **Spain** Banco de Espana 100 Pesetas 1.5.1900 Pick 51a.

Unlike contemporary Bradbury Wilkinson examples, these were printed and issued in the old style - with counter-foils and physically cut when issued. PMG **Choice Very Fine 35**, with the comments small tears, retouched. (2,500-3,500)

Starting Bid: \$1,500

27892 **Spain** Banco de Espana 50 Pesetas 25.11.1899 Pick 50.
Francisco de Quevedo is featured on this wonderful example that faces up very well for its assigned grade. These locally printed examples are known for their particular fiber thread security measure which is easily seen in the left margin. Seven small edge tears completely within the margins have been sealed. The note must be "candled" in front of a light source to see the nicely done repairs. PMG **Extremely Fine 40 Net**, repaired. (2,000-3,000)

Starting Bid: \$1,200

27894 Spain Banco de España 50 Pesetas 30.11.1902 Pick 52.

A wonderful, locally printed example which faces up very well. This series followed the distinctive gauze thread series of notes, and the feature was removed as the process was most likely too costly and time consuming. Some minor repairs are noted. PMG **About Uncirculated 53**. (4,500-6,000)
Starting Bid: \$2,700

27895 Spain Banco de España 1000 Pesetas 10.5.1907 Pick 61a.

27899 **Spain** Banco de España 500 Pesetas 7.1.1935 Pick 89. All colors are strong and embossing heavy as expected on this Thomas De La Rue printed example. Owing to the Spanish Civil War, not many were produced and even less survived in this pack fresh Gem condition. PMG Gem Uncirculated 66 EPQ. (1,500-2,500)
Starting Bid: \$900

27898 **Spain** Banco de España 1000 Pesetas 15.7.1907 Pick 66a. A brightly colored, grandly sized example which also displays a multitude of finely detailed vignettes. 27902 Spain Banco de España 500 Pesetas 21.11.1936 Pick 102a. A well-preserved note printed for the Nationalist government of Francisco Franco. As he received support from the Third Reich, it was only natural that the note was printed in Germany, by Giesecke and Devrient. The security feature of embedded strips of paper is very similar to that used on contemporary Croatian notes. PMG **About Uncirculated 50**, with minor repairs. (500-700)
Starting Bid: \$300

27904 Spain Banco de España 1000 Pesetas 20.5.1938 Pick 115a. A Burgos place of issue is seen on this note printed in Germany for the Franco government. (500-1,000)
Starting Bid: \$300

27903 Spain Banco de España 500 Pesetas 20.5.1938 Pick 114a. A high denomination Burgos note, issued by the government of Francisco Franco during the Spanish Civil War. Starting Bid: \$600

Starting Bid: \$600

27907 Spain Banco de España 1000 Pesetas 9.1.1940 (1943) Pick 120a. The highest denomination of the first series printed in Milan. A closed pinhole is noted, but difficult to located due to the intricate design. PMG **About Uncirculated 55**. (1,000-1,500)

27929 **Switzerland** Schweizerische Nationalbank 1 Frank 1938 Pick 40s Specimen.

Full margins frame this bright and colorful note. SPECIMEN is printed diagonally across the face and back. The back design is particularly ornate, not sparing any space from intricate engraving that surrounds the denomination at center. PMG **Gem Uncirculated 66 EPQ**. In June of 2016, a 2 Franken Specimen from this issue realized more than \$3,800 in auction, a price that could be seen here today. (2,000-4,000)

400 Bolivares Progressive Proof

27974 Venezuela Banco Caracas 400 Bolivares ND (ca. 1890) Pick S138pp Progressive Proof.

This progressive proof gives collectors an early look at this very attractive design's early stages. These notes would have been prepared right after each individual piece from the vignette to the borders were selected and "pasted up", and represents the first time all these elements come together on a single printing plate. These were then sent for approval by different parties. PMG Choice Uncirculated 64. (4,000-6,000)

Starting Bid: \$420

27989 **Venezuela** Banco de Maracaibo 40 Bolivares ND (ca. 1897) Pick S206p Proof.

Three POCs over the signature area are seen on this well centered example. Proofs often have POCs over the signature areas as an unscrupulous person could add in serial numbers. However, it is doubtful if any merchants would accept a uniface note. PMG **Superb Gem Uncirculated 68 EPQ**. (1,000-2,000)

Starting Bid: \$600

27988 **Venezuela** Banco de Maracaibo 50 Bolivares 188_ (ca. 1889) Pick S201s Specimen.

Starting Bid: \$900

27992 **Venezuela** Banco de Maracaibo 200 Bolivares ND (1915) Pick S221p Face and Back Proofs.

Gem and Superb grade Proofs are in this lot. Interestingly, no bank identification is seen on the ornate back. 27994 **Venezuela** Banco de Maracaibo 400 Bolivares ND (1917) Pick S222p Proof.

Despite the decades that have passed since the bank's early notes, the stated capital base remains at 1,250,000 Bolivares, perhaps due to the fact the base was a part of the vignette and thus somewhat difficult to change. An updated 19__ date is seen. 6 POCs are in the signature area and the denomination rosettes. PMG **Gem Uncirculated 66 EPQ**. (1,250-1,750)

Starting Bid: \$750

Lightly Handled Banco de Maracaibo 400 Bolivares

27995 **Venezuela** Banco de Maracaibo 400 Bolivares ND (1917) Pick S222s Specimen.

Four POCs are seen in the signature area of this example which is impossible in any form. Many banks in Venezuela operated up to the time when note issuance powers were transferred to the Banco Central, resulting in most private issues being redeemed. These high denominations, representing a significant amount of purchasing power, were redeemed in even large amounts, leaving specimen and proofs the only examples extant. PMG **About Uncirculated 55 Net**, partial printer's annotation, previously mounted. (1,000-2,000)

Starting Bid: \$600

27996 **Venezuela** Banco de Maracaibo 10 Bolivares 1.12.1929 Pick S226.

27997 **Venezuela** Banco de Maracaibo 500 Bolivares ND (ca. 1926) Pick S229p Face and Back Proofs.

Keen collectors will note that this design was almost directly adapted from the old 400 Bolivares note, with the exception of the updated denomination. It seems that, as other banks issued denominations in 500 and 1000 Bolivares, the Banco de Maracaibo also decided to fall in line. Both the face and back are PMG **Choice Uncirculated 64**. (Total: 2 notes) (1,000-2,000)

Starting Bid: \$600

27998 **Venezuela** Banco Mercantil y Agrícola 100 Bolivares 11.3.1927 Pick S233a.

The two manuscript signatures remain bold on this issued example. As the transition from privately issued notes to those of the Banco Central was done in an orderly fashion, most notes were redeemed, leaving issued examples such as this rare today. Some minor rust damage is noted. PMG **Very Fine 25**. (600-800)

Starting Bid: \$360

27999 **Venezuela** Banco Mercantil y Agrícola 100 Bolivares ND (1929) Pick S233s Specimen.

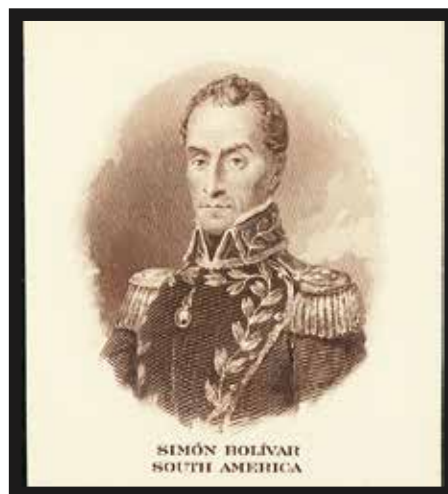

A well preserved Specimen with a large amount of selvage and grading PMG **Gem Uncirculated 66 EPQ**. We had a PMG 65 EPQ example of this Specimen number realize \$558.13 last April. 2 POCs. (600-800)

Starting Bid: \$300

28001 **Venezuela** Banco de Venezuela 40 Bolivares ND (ca. 1890) Pick S262s Specimen.

A vignette of Simon Bolivar is included with this uncommon denomination. Starting Bid: \$600

28002 Venezuela Banco de Venezuela 1000 Bolivares ND (ca. 1890) Pick S265p Face and Back Proofs.

Brilliant colors are seen on this high denomination design featuring the Liberator Simon Bolivar. These two designs represented the last stages of the design process, before Specimens were printed. No stamps are seen on these unblemished designs. Six POCs are seen in the signature area of the face. Both examples are graded a lofty PMG **Superb Gem Uncirculated 67 EPQ**. (Total: 2 notes) (3,000-5,000)

Starting Bid: \$1,800

28003 Venezuela Banco de Venezuela 50 Bolivares ND (ca. 1897) Pick S272p Face and Back Proofs.

Starting Bid: \$900

In any case this is an extremely rare World War I issue that should create interest from specialists in this area. **(200-300)**

The Battle of Baku took place from June through September 1918 pitting an Ottoman-Azerbaijani coalition against Bolshevik-Dashnak (Armenian) forces. British, White Russian, and Centrocaspian Dictatorship troops would replace the latter in late July due to a bloodless coup d'état that would eventually lead to the execution of the 26 Baku Commissars (not all were commissars or Bolsheviks) on September 20 by a Menshevik-Socialist Revolutionary firing squad between the train stations of Pereval and Akhcha-Kuyma on the Trans-Caspian railway. Other scenarios are known of this execution. Nonetheless, the Ottoman-Azerbaijani coalition would still be victorious, as British General Lionel Dunsterville and "Dunsterville" left Baku for Baghdad on September 15. Also, according to Dunsterville's diary on September 5, a watermelon cost 20 rubles, a bottle of natural mineral water could be purchased for 4 rubles, and the price of an egg was 2.5 rubles. End of Auction

Terms and Conditions of Auction

Auctioneer and Auction:

1. This Auction is presented by Heritage Auctions, a d/b/a/ of Heritage Auctioneers & Galleries, Inc., or Heritage Auctions, Inc., or Heritage Numismatic Auctions, Inc., or Heritage Vintage Sports Auctions, Inc., Currency Auctions of America, Inc., Heritage Auctions (HK) Limited, or Heritage Auctions – Europe Cooperatief U.A. as identified with the applicable licensing information on the title page of the catalog or on the HA.com Internet site (the “Auctioneer”). The Auction is conducted under these Terms and Conditions of Auction and applicable state and local law. Announcements and corrections from the podium and those made through the Terms and Conditions of Auctions appearing on the Internet at HA.com supersede those in the printed catalog.

Buyer's Premium:

2. All bids are subject to a Buyer's Premium which is in addition to the placed successful bid:
 - Fifteen percent (15%) on Domain Names & Intellectual Property Auction lots;
 - Seventeen and one-half percent (17.5%) on Currency, US Coin, and World & Ancient Coin Auction lots (the Buyer's Premium is 19.5% for auctions in Hong Kong), and except for Gallery Auction lots as noted below;
 - Nineteen and one-half percent (19.5%) on Comic, Movie Poster, Sports Collectibles, and Gallery Auction (sealed bid auctions of mostly bulk numismatic material) lots;
 - Twenty-two percent (22%) on Wine Auction lots;
 - For lots in all other categories not listed above, the Buyer's Premium per lot is twenty-five percent (25%) on the first \$200,000, plus twenty percent (20%) of any amount between \$200,000 and \$2,000,000, plus twelve percent (12%) of any amount over \$2,000,000.
- Minimum Buyer's Premium per lot is \$19, except for Sports Collectibles lots wherein the Buyer's Premium is \$14 per lot.

Auction Venues:

3. The following Auctions are conducted solely on the Internet: Heritage Weekly Internet Auctions (Coin, Currency, Comics, Rare Books, Jewelry & Watches, Guitars & Musical Instruments, and Vintage Movie Posters); Heritage Monthly Internet Auctions (Sports, World Coins and Rare Wine). Signature* Auctions and Grand Format Auctions accept bids from the Internet, telephone, fax, or mail first, followed by a floor bidding session; HeritageLive! and real-time telephone bidding are available to registered clients during these auctions.

Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction (“Bidder(s)”).
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

Credit:

7. In order to place bids, Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) or supply valid credit card information along with a social security number, well in advance of the Auction. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders. Bidders who are not members of HA.com or affiliates should preregister at least 48 hours before the start of the first session (exclusive of holidays or weekends) to allow adequate time to contact references. Credit will be granted at the discretion of Auctioneer. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security number or the last four digits thereof so a credit check may be performed prior to Auctioneer's acceptance of a bid. Check writing privileges and immediate delivery of merchandise may also be determined by pre-approval of credit based on a combination of criteria: HA.com history, related industry references, bank verification, a credit bureau report and/or a personal guarantee for a corporate or partnership entity in advance of the auction venue.

Bidding Options:

8. Bids in Signature, Auctions or Grand Format Auctions may be placed as set forth in the printed catalog section entitled “Choose your bidding method.” For auctions held solely on the Internet, see the alternatives on HA.com. Review at <http://www.ha.com/c/ref/web-tips.zx#biddingTutorial>.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) are treated similar to floor bids in that they must be on-increment or at a half increment (called a cut bid). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding, so carefully check that every bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. To ensure the greatest accuracy, your written bids should be entered on the standard printed bid sheet and be received at Auctioneer's place of business at least two business days before the Auction start. Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the Auction begins. Bids placed electronically via the internet may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-409-1425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Caveat as to Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$1 above the previous increment. Please see: “How can I lose by less than an increment?” on our website. Bids will be accepted in whole dollar amounts only. No “buy” or “unlimited” bids will be accepted.

The following chart governs current bidding increments
(see HA.com/c/ref/web-tips.zx#guidelines-increments).

Current Bid	Bid Increment	Current Bid	Bid Increment
< \$10.....	\$1	\$10,000 - \$19,999	\$1,000
\$10 - \$49	\$2	\$20,000 - \$49,999	\$2,000
\$50 - \$99	\$5	\$50,000 - \$99,999	\$5,000
\$100 - \$199	\$10	\$100,000 - \$199,999	\$10,000
\$200 - \$499	\$20	\$200,000 - \$499,999	\$20,000
\$500 - \$999	\$50	\$500,000 - \$999,999	\$50,000
\$1,000 - \$1,999	\$100	\$1,000,000 - \$4,999,999	\$100,000
\$2,000 - \$4,999	\$200	\$5,000,000 - \$9,999,999	\$250,000
\$5,000 - \$9,999	\$500	>= \$10,000,000	\$500,000

12. If Auctioneer calls for a full increment, a bidder may request Auctioneer to accept a bid at half of the increment (“Cut Bid”) only once per lot. After offering a Cut Bid, bidders may continue to participate only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature* Auctions and Grand Format Auctions. If the Auctioneer solicits bids other than the expected increment, these bids will not be considered Cut Bids.

Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A “Minimum Bid” is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN “Minimum Bids” ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE “Minimum Bid”, THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. “Minimum Bids” are generally posted online several days prior to the Auction closing. For any successful bid placed by a consignor on his Property on the Auction floor, or by any means during the live session, or after the “Minimum Bid” for an Auction have been posted, we will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot.
14. The highest qualified Bidder recognized by the Auctioneer shall be the Buyer. In the event of a tie bid, the earliest bid received or recognized wins. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in “Good Faith” when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, collectibles references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in “Good Faith.” Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances. If a lot bearing estimates fails to open for 40–60% of the low estimate, the Auctioneer may pass the item or may place a protective bid on behalf of the consignor.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (generally 40%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken. Auctioneer reserves the right to withdraw, prior to the close, any lots from the Auction.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) and any other damages or expenses pertaining to the lot.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, we may at our discretion extend bidding for the Auction. Bidders unable to place their Bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. The Auctioneer, its affiliates, or their employees consign items to be sold in the Auction, and may bid on those lots or any other lots. Auctioneer or affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
22. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

23. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the Purchases; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes “good funds”: checks drawn on a U.S. bank are subject to a ten business day hold, and thirty days when drawn on an international bank. Clients with pre-arranged credit status may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the HA.com website.
24. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after the close of the Auction. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer. Alternatively, Auctioneer at its sole option, may charge a twenty (20%) fee based on the amount of the purchase. In either case the Auctioneer may offset amount of its claim against any monies owing to the Bidder or secure its claim against any of the Bidder's properties held by the Auctioneer..
25. Lots delivered to you, or your representative are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Bidder agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after the Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
26. In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law. If you attempt to pay via eCheck and your financial institution denies this transfer from your bank account, or the payment cannot be completed using the selected funding source, you agree to complete payment using your credit card on file.
27. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
28. In the event a successful Bidder fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Bidder agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). The defaulting Bidder is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
29. Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise.
30. Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the Auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due the Auctioneer or affiliates from the buyer.

Terms and Conditions of Auction

With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). In addition, with respect to payment of the Auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice. If a Bidder owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession..

31. Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered to a common carrier or third-party shipper.

Delivery; Shipping; and Handling Charges:

32. Buyer is liable for shipping, handling, registration, and renewal fees, if any. Please refer to Auctioneer's website HA.com/c/shipping.zx for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Lots won will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the credit card on file with Auctioneer.

33. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot. Domestic Buyers on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs.

34. All shipping charges will be borne by the successful Bidder. On all domestic shipments, any risk of loss during shipment will be borne by Heritage until the shipping carrier's confirmation of delivery to the address of record in Auctioneer's file (carrier's confirmation is conclusive to prove delivery to Bidder; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature) or delivery by Heritage to Bidder's selected third-party shipper. On all foreign shipments, any risk of loss during shipment will be borne by the Bidder following Auctioneer's delivery to the Bidder's designated common carrier or third-party shipper.

35. Due to the nature of some items sold, it shall be the responsibility for the successful Bidder to arrange pick-up and shipping through third-parties; as to such items Auctioneer shall have no liability. Failure to pick-up or arrange shipping in a timely fashion (within ten days) shall subject Lots to storage and moving charges, including a \$100 administration fee plus \$10 daily storage for larger items and \$5.00 daily for smaller items (storage fee per item) after 35 days. In the event the Lot is not removed within ninety days, the Lot may be offered for sale to recover any past due storage or moving fees, including a 10% Seller's Commission.

- 36A. The laws of various countries regulate the import or export of certain plant and animal properties, including (but not limited to) items made of (or including) Brazilian rosewood, ivory, whalebone, turtle shell, coral, crocodile, or other wildlife. Transport of such lots may require special licenses for export, import, or both. Bidder is responsible for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay, failure, or incapacity to obtain any such license or permit does not relieve the buyer of timely payment, or afford them the capacity to void their purchase or payment. For further information, please contact Ron Brackemyre at 800-872-6467 ext. 1312.

- 36B. California State law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California.

- 36C. Auctioneer shall not be liable for any loss caused by or resulting from:

- a. Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
- b. Breakage of staturary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles

37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties and Disclaimers:

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of the items or second opine contained in this Auction is for the sole purpose of identifying the items for those Bidders who do not have the opportunity to view the lots prior to bidding, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, for example, Fine Art, may have express written warranties and you are referred to those specific terms and conditions. .

39. Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the Property. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.

40. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.

41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any Property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.

42. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for any claim for return or reduction in purchase price.

Release:

43. In consideration of participation in the Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opinions, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein; e.g., authenticity, typographical error, etc. and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.

44. Notice: Some Property sold by Auctioneer are inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Purchaser accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or inconsequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution and Arbitration Provision:

45. By placing a bid or otherwise participating in the auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein. Consumer disputes shall be resolved through court litigation which has an exclusive Dallas, Texas venue clause and jury waiver. Non-consumer dispute shall be determined in binding arbitration which arbitration replaces the right to go to court, including the right to a jury trial.

46. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Bidder; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.

47. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's purchase price without further obligation.

48. Exclusive Dispute Resolution Process: All claims, disputes, or controversies in connection with, relating to and /or arising out of your Participation in the Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation or any claim made by you of a lot or your Participation in the auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer {which claim you consent to be made a party} (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent as the case may be) and Heritage each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administered by and conducted under the rules of, the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. Exemplary or punitive damages are not permitted and are waived. A Claim is not subject to class certification. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return. This Agreement and any Claim shall be determined and construed under Texas law. The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought vs. awarded or the successful defense of a Claim based on damages sought vs. awarded) may be awarded its reasonable attorneys' fees and costs.

49. No claims of any kind can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.

50. In consideration of their participation in or application for the Auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and purchases, or default in payment thereof, shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid of arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. For such actions, the successful Bidder, purchaser, or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.

51. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

52. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize the Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to the Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.

53. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by the Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.

54. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

Terms and Conditions of Auction

Additional Terms & Conditions: COINS & CURRENCY

COINS and CURRENCY TERM A: Signature. Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, <http://www.ngccoin.com/services/writtenguarantee.asp>; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658, <http://www.pcg.com/guarantee.html>; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Bellevue Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency, PMG, and CGA may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 9458, Newport Beach, CA 92658; Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887. Third party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be

liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM G: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

COINS and CURRENCY TERM H: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM I: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM J: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM K: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM L: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM M: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS and CURRENCY TERM N: Some of the lots offered herein have been assigned to 1031 Services, Inc. for the purpose of consignor's tax deferred exchange.

COINS and CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.
